

Ki Nafalti , Gam Kamti

:( Although I've had my ups and downs over the years, and some long streaks of abstinence from any P\*\*\* or M\*\*\*, I never got off the roller coaster. Not that I think that I'm the most far gone person here as far as the quality and quantity of the shmutz, still I know that this is an addiction that never left me and never will if I do nothing about it.

This morning i thought of a mashal (someone else might have used it already, but for me it was a moment of clarity from heaven): A temporary bout with the YH about lust and P\*\*\* etc. is like a strep throat -take your antibiotics, drink fluids, rest up and it'll go away; if you don't catch the bacteria again -you're cured, and it's gone. But when the struggle for kedusha keeps on being just that, and with the slightest slip -you feel that you've lost control and your actions show that even years of self restraint didn't do the job (like ridin' a bicycle -ya never forget how to; same thing goes for sewage surfing...) that my friends is like Rachmana Litzlan Lo Aleinu V'lo Aleichem 'Yennerr Machla', and not the kind that attacks at first a specific organ or is operable; rather like the kinds of Yenner Machla in the blood -the best they can do is put it in remission, but it's there to stay -and when Chalila V'chas it's active -there's no limit to the damage it can do and the places that it will show up in. Same goes for addiction to Shmutz.

What's the point of this whole tirade? ... to be continued in the next installment (because it's too hard to type without seeing what your doing and I've filled the window and now it's dancing the Hora and making me dizzy...).

B"h, I'm back on Admas HaKoidesh!

It was a very interesting ten days in my old home town, and elsewhere in the center of the world (*what? there is a world outside of New York? Oh! You must mean Monsey or Lakewood right?*).

It was the first trip that I took to the US of A without slipping and falling **majorly**.

IMHO this is only due to my involvement with GYE and he wonderful chevrah here...

One of the interesting observations that I had, was that you have to be mehabel the havalim...

The Yetzer and Chaylav try to be Mehabeil **reality**...

Advertisements on the busses? So what? Vuss hut es mit mir? Let someone else view women as objects...

Preetzis in the streets of Manhattan? There's a reason why we call them Shkootzim (not to be mezalzel in the humanity of ainum b'nei/b'nois briss) -That passing nisayon has as much shychiss with me as a murishke! It's the YH (or my @&\$^ up brain -same thing, different shprach) which makes triggers shoot off bullets... These are at best **people passing by**.

B'kitzur -this place helps me keep things in the right perspective, and that's why bli neder I'll keep on coming back for more...

**THANKS G-D! THANKS GUARD! THANKS GYE! THANKS GYES!**

Reb bards:

I have much easier directions to bardsville.

I actually pulled up near the Beis Medrash and tried to park in the DPW parking lot, where I met Billy who told me that you're tied up until next year Tuesday...

What do you mean he didn't give you the pidyoin?

Thanks to all those who took the time to come in and welcome me back.

I was thinking today about this thread -or rather how dry it's been lately.

But the emes is that I've been spending my time online b'ikkar at other peoples feddemer (that's plural of fuddem for those of you who are Yiddishly challenged). That's because over the last while I really haven'y had any new observations or struggles to share with the oilam here.

*Okay, so standing at the bottom of that staircase denying your inborn YH to stare upwards at the 'olos v'yordos bo' isn't a struggle?*

*Well, at the time my guard was up so high that I just yelled at myself and said: Shame on you*

*-you shouldn't want to do such a despicable thing...*

*L'maaseh, that's the opposite of the steps approach of surrender: be honest, you are powerless over that (infantile) voyeurous urge, I believe that Hashem (my higher power) can restore me to sanity, asked please Hashem take this away from me just now...*

*But at least it worked...*

So I've been pretty quiet.

But I'm lurking here all over the place.

L'hitraot,

E

Thanks for the support tzaddik.

I'm no Rambo, but I am full of RID and was ambushed at HALT.

I was very depressed all day, and now the cloud is *somewhat* lifting.

But the writer's block is definitely at full force.
