

Ki Nafalti , Gam Kamti

Posted by ben durdayah - 30 Dec 2010 08:14

:(Although I've had my ups and downs over the years, and some long streaks of abstinence from any P*** or M***, I never got off the roller coaster. Not that I think that I'm the most far gone person here as far as the quality and quantity of the shmutz, still I know that this is an addiction that never left me and never will if I do nothing about it.

This morning i thought of a mashal (someone else might have used it already, but for me it was a moment of clarity from heaven): A temporary bout with the YH about lust and P*** etc. is like a strep throat -take your antibiotics, drink fluids, rest up and it'll go away; if you don't catch the bacteria again -you're cured, and it's gone. But when the struggle for kedusha keeps on being just that, and with the slightest slip -you feel that you've lost control and your actions show that even years of self restraint didn't do the job (like ridin' a bicycle -ya never forget how to; same thing goes for sewage surfing...) that my friends is like Rachmana Litzlan Lo Aleinu V'lo Aleichem 'Yennerr Machla', and not the kind that attacks at first a specific organ or is operable; rather like the kinds of Yenner Machla in the blood -the best they can do is put it in remission, but it's there to stay -and when Chalila V'chas it's active -there's no limit to the damage it can do and the places that it will show up in. Same goes for addiction to Shmutz.

What's the point of this whole tirade? ... to be continued in the next installment (because it's too hard to type without seeing what your doing and I've filled the window and now it's dancing the Hora and making me dizzy...).

It's the only time I have in the PM to catch up on things until later.

I think it's less than a trooper and more of a junkie...

:'(

~~you are~~ you are a true GYE junkie, shkoyach on your efforts

Leiby Kletzky, an innocent 9 y.o. kid murdered and dismembered (and probably molested as well r"l!).

Daniel Shalom ben Leah with an untreatable brain tumor r"l.

And I still feel compelled to test the outer limits of my filter(s)?

Avi, save me a chair. I'm a comin' (iy"h and bl"n).

It should be a zchus for (yibadel bein chaim lechaim) the abovementioned.

you didn't think i would see this...actually...you wrote my name so you did seem to expect it.....

yep, i decided to pop in to see your thread.

your post reminds me of roy k's story in the white book. he says in sefer that he once saw a guy crash his car, and roy k. saw the guy's neck snap and die right in front of him....and roy k. was moved by this gruesome sight...inspired...touched...filled him with introspection and search for God.....

...

...for one nanosecond.

and then he writes how he just kept driving to some hookers house to act out with her parakeet or something.

so mitzad hachessed, its awesome that you can gain from this terrible tragedy and come to the clubhouse

and mitzad hadin we must remember that as people with a disease of insanity, the tragedy will only be miorerr tshuva for a nanosecond, and then go away all to quickly, whereas by a healthy yid it might have some type of effect on him, bosod lama nismicha parshas nazir liparshas sotah.... .

"we want you more than your money" (lashon of 7th tradition).

dov's addition in 1993 edition "but we'll take your money too if you offer"

sorry dov, i love teasing you

bendy,

c u soon

Reminds me of the vort I heard from Rabbi Reisman shortly after 9/11. It says by Pharoah:
????????? ???????? ?????????? He had a moment of inspiration, but then he went right back to
sleep. When we see, hear, think of something that moves us, we have to grasp hold of it and
take it with us, otherwise we can end up like Pharoah.
