

Ki Nafalti , Gam Kamti

Posted by ben durdayah - 30 Dec 2010 08:14

:(Although I've had my ups and downs over the years, and some long streaks of abstinence from any P*** or M***, I never got off the roller coaster. Not that I think that I'm the most far gone person here as far as the quality and quantity of the shmutz, still I know that this is an addiction that never left me and never will if I do nothing about it.

This morning i thought of a mashal (someone else might have used it already, but for me it was a moment of clarity from heaven): A temporary bout with the YH about lust and P*** etc. is like a strep throat -take your antibiotics, drink fluids, rest up and it'll go away; if you don't catch the bacteria again -you're cured, and it's gone. But when the struggle for kedusha keeps on being just that, and with the slightest slip -you feel that you've lost control and your actions show that even years of self restraint didn't do the job (like ridin' a bicycle -ya never forget how to; same thing goes for sewage surfing...) that my friends is like Rachmana Litzlan Lo Aleinu V'lo Aleichem 'Yennerr Machla', and not the kind that attacks at first a specific organ or is operable; rather like the kinds of Yenner Machla in the blood -the best they can do is put it in remission, but it's there to stay -and when Chalila V'chas it's active -there's no limit to the damage it can do and the places that it will show up in. Same goes for addiction to Shmutz.

What's the point of this whole tirade? ... to be continued in the next installment (because it's too hard to type without seeing what your doing and I've filled the window and now it's dancing the Hora and making me dizzy...).

Yosef, you have to look at the flip side:

???? ?????? ????? ??? ?????? ??? ????? ?????? ?" ? ?????? ?????? ?????? ?????? ??

It's middah k'negged middah.

I guess you were referring to me too when you wrote that this is an internal code....
The tzaddik who is not nichshal or who is metaikein the aveirah that is begematria 310, gets
310 oilamois.

I know about that. (& a couple of other 310 stuff too...) but my question was how does "Shin = 300"??

Whaddaya mean?

?=100

?=200

? =300

I know, I know you're going to say that you know that too...

Do you mean that you want to know how "shin"=300?

This I cannot say...

Yes indeed...

It is Wednesday night, isn't it.

And I am a lazy procrastinator -aren't I.

And I did have my phone in and out of my pocket between xx:xx and xx:xx.

eskIMO = we should be happy we don't have to dig our cars out of mountains of snow, even if it would snow it would melt in this heat

small step for man giant leap for man kind = common misconception about the Space Shuttle

hk"m, that it took reb Armstrong to the levana, it didn't, it was a glorified satellite with wings

buffalo bill, two shekel per = dibur be'sela, shtika bi'trei

tizkeh ligadla litorah chuppah umaasim tovim = meet me at the kiddush

her bris will be in zvhil, 5am , dont bring the cops = cops is malchus, zvihl is near kvish mispar echad, bechinas yichud yesod u'malchus, malchus is entirely batul leshorsha, 5am - mekabel hay chasadim

oros from yesod diabba vieema down to zun, r shimon and then in shnas shin lamed hay = gilui of pnimiyus hatorah, starting with Moshe Rabeinu (yesod abba), to Rashbi, to the Ari

vihamaskilim (like yosef hatzaddik) yaveenu

shkoyach

can you eat the lolly and mail me the \$40?
