Hey All

I found/bought a new sefer today. It's called Sefer Esa Einai and it's by Rabbi Yaakov Langser of Passaic, NJ. I believe he learns in BMG. This is his third sefer.

but this sefer is nokea to all of us here. It's subtitle:

Chizuk Eitvos VeHadrachos B'inyanei Shmiras Einayim

Just thought it would be nice to bring this to the olam's attention.
