

how can i sleep at night

Posted by muststop - 10 Jan 2011 05:59

hey guys so im new to this compared to many but i have a question

HOW DO YOU GUYS SLEEP AT NIGHT???

i mean the second i get into bed Its suddenly a battle not to masterbate and on top of that i have to sleep on my side now because when i sleep on my back well you can imagine what happens

TIPS ANYONE

=====

www.guardyoureyes.org/forum/index.php?topic=3348.msg93057#msg93057

that's his thread

perusal is the local version of Lysol in Peru

kidding, it means to read or look through. i.e. i would like to take home that book for further perusal.
