How many people in the WHOLE WORLD would do as he does? Leave his home to travel around the world. Why? For what? What does HE stand to gain personally? NOTHING! He is not on a grand world tour to meet thousand of adoring fans. He refuses to divulge his name. He refuses to let us meet him, to express appreciation in person. He refuses to take credit for his work. He is doing it for **us**!!!

Thank you so much whoever you are for starting the site. There are tons of great organizations out there all doing good things, but you're are simply changing lives, without you (and all the people giving encouragment)so many of us would still be deep deep down, maybe rising up a little once in a while, but overall stuck very firmly were we wish we weren't.
