Ironically the one with the issue about inane postings appears to be the worst offender.

His main problem is with postings which are in the wrong places.

All I did was gather them to this thread, where they belong. ;D

BTW, I thought you want me around.....:

Of course if you were around the forum a little more it would be even more impressive.

Mr. Yosef Hatzaddik

Perhaps due to ignorance, you are using Guard's original avatar. For someone who professes such great admiration for the creator of this site I would think you would consider that as disrespectful and an affront to his eminence.

It was ignorance. (As usual)

Any of these are better?

Guard has done so much for me, more than he knows, and he has such a tremendous zechus that mere words do not approach the threshold of doing justice to the amount of appreciation i should have.
