Hey how did I miss this thread? TY Uri.

Count me in.

Btw one thing we don't give him credit for(besides our lives) is that he's actually very funny.

Anyway we are proud to have him as the head nut on the funny farm

First of all, you didn't think I was serious in that last post did you (Well except for the part about

Kedusha)? That was entirely in the Purim spirit.

Second, you found 3 posts where I fell on my head and say something nice about Guard, how the dozens of other posts where I ridiculed! laughed at! lambasted! Scoffed at! and Threatened him?

Those don't count?

Sheesh.
