well actually,

the guard that we see posting (not so much anymore) is one person.

but he has a couple (i know he has at least one other) other people helping him. i know this cus i think in one of the chizzuk emails he said that he cant do it by himself anymore and he got a second person to help him.

that is my understanding.

Guard has posted 3 times today already bringing him up to five thousand three hundred (5300) posts. Who else has 5300 posts on the forum?

THAT'S WHY WE LOVE THE HEILIGER GUARD

This thread is exactly 2 years old today. We have 295 posts of why we love our heiliger Guard.

Do you think we can make it up to 320 before the stars come out in LA?

Just wanted to express my hakaras hatov to Guard and to the entire GYE community.

It has been years, too many for me to count, since I've come before HKBH on Rosh Hashana clean. I owe you all my life.
