I love the heiliger Guard too-

I think we should appreciate how much he loves us!

if i understand correctly i think hes saying that since guard=him and him=guard,if guard was dead he'd be dead.

Uri hit the nail on the head, although now that Struggle and Trying pointed out that it could be deeper than that, I am very impressed with myself!

You know, it's like when I was in high-school and the teacher would explain all the deep and profound meanings behind the poems and literature, and I would think to myself, "imagine these authors would be alive today and see all the deep messages that the literary experts found in their words; they's be like, "wow, I never realized I was SO wise!!" :D

... Honk if you're a GOOSE!

I owe him **my life**.

Guard, I actually thought you meant that if you never got involved with this site and forum (meaning, if you weren't Guard but rather whatever your name is), you would be spiritually dead like the rest of us.

I can't believe i missed this thread

there's still so much to be read

So many thoughts are in my head

There's just so much to be said

to thank guard i can't even beging so instead

i'll say without him i'd be dead

before him the y''h has fled

he lays weak and filled with dread

pride- he hasn't a shred

cuz Hashem's word Guard has spread

light on us he's shed

turned us white from red

made our hearts and minds look ahead!

without Guard leading me, i don't know what i would be....

the english language does not suffice to praise him for what he has done! only Hashem knows how much good has come out of his actions!

thank you, Reb Guard! for everything... always!

It might be more efficient if only those who don't love the Heiliger Guard post here!

first of all, do they exist?

second, maybe we should hide them from the heiliger guard. he shouldn't know of such things...
