We were supposed to be keeping this on page 1.

My yom kippur thought. Every person on this site

No matter how long they have been clean

No matter how many times they fell

Are engaged in fighting their y"h.

They are not sitting passively.

They don't always win,

But they are fighting.

And that is exactly what Hashem wants from us.

And we have guard to thank for enabling us.

Pretty much everybody here is more successful in this battle since they found this site.

Rabbeinu Guard, can you bentch us? It's erev yom kippur afterall.

yhvyhpavyhpavl"s

I was by Kever Shmuel Hanavi this morning (erev y"k) and I davened for everyone on the forum.

May Hashem allow me another year to be His *shmateh*, to help clean up shmutz, for His honor, as he sees fit. May he allow me another year to be an (empty) pipe for His light to shine through, to help those who need it.

May every yid who is looking to be purified, be zoche to find GYE and the right tools and support they need to climb upwards in today's world gone mad.

May Hashem give us all new hearts to serve Him, and may we be zoche to live for *Him* in all we do.

changed me into a new, growing, achieving

happier person. your devotion is really admirable!

your encouragement, chizzuk, and laughter

makes this world a better place to live in!

the amazing work that you do on gye brings

amazing nachas to Hashem!

may you be zoche to always see nachas from

your family and the entire gye family!
