Got an internet filter. Posted by Yehuda0612 - 11 Jan 2011 23:33
Just wanted to say, I officially installed an Internet filter on my computer! Yay!
That's one more step forward than I was yesterday.

gaveldig!
you did a really good thing
it can help a lot
did you give away the password?
not to be a spoilsport but it is not the Final Solution to a problem with lust.
lust can be had in many different ways. You will need to keep on working your program.
