---

Shabbos is coming. This holy day unfortunately always throws me into depression. don't have time now to explain why, but point is its starting to set in my little brain right now.

I need support from any hands on deck at GYE. Im working on the inyun and am not gonna fix it overnight, but i just need a little friendship to keep me till motzai shabbos. Not embarrassed to say, and Im anyways gonna decide now that i wont let my feelings get out of control, hashems with me, and everything will be alright. ill be besimcha as best as i can. this isnt gonna be some amazing profound 100page thread, its just right now i need a little, yeah, you know already.

Ive gotta log off but will check later.

Help.

squaters of all religions, lend me your ears,

i was feeling good today

then i began to feel in my mind like i was going nuts and that maggots were eating my brain and scorning me

i feel powerless to Hashem

i have tried to be bisimcha

i have talked to rbso, and davened

i thought i was doing real good inching up to my test on thur. when all of a sudden the ANXIETY has pinned me to the mat and has got me in a mount

i felt almost as if i was having an anxiety attack (which feels like your dying)

i grabbed one of my anti-anxiety pills, swigged it down

im still kot-ing, and always was, but it seems like the yh has unprecedentedly jumped out from behind a rock and blown away layers of my truck with katyusha and T.O.W missiles

my gunners have all suddenly gotten blown to smithereens in the sudden ambush, the 50. cal on the roof is sitting dormant

wheels on the truck are full of holes

smoke coming out from hood

the only survivor is me, the driver

i decided im just gonna be crazy and keep driving straight into the enemy

take a few of em' with me

i have watched enough movies to know that right b4 the truck hits,

your'e supposed to roll out the door and roll five times behind

cover while the truck blows away the security outer perimeter line

then, just charge in, while bleeding from your arms, throwing grenades and spraying bullets

this is usually followed by a lust scene but NOT IN MY MOVIE!

FOR THE BACKGROUND MUSIC, I THINK I'LL USE THE SOUNDTRACK FROM THE ROCK,  
OR ROCKY

MY STUNT DOUBLE WILL BE CHEF BOYARDEE

you know, they say that 11:46 at night is a real auspicious time for not being answered....

maybe i should use this flare gun?

or my reflective blanket?

or tin whistle

i was looking for at least a little support, but i see everyone is to busy brushing their teeth or tai-boxing

so i'll have to just simulate a short convo and then sign off:

TZADDIK90 "i'm frying out here, for some reason i was doing real great when all of a sudden the anxiety jumped me suddenly and started spooning out my spleen with an icecream scooper?"

FELLOW GYE "don't worry kid, youv'e made it till now, you'll survive this one too. You are the one who gets all hyped up about going in a blaze of glory-so here you are-

a simple jew, just doing this college degree bec. rabbanim told you to, and doing oyur hishtadlus for your final exam-so lif'um tza'arah agrah

and tov echad bitz'ar mimeah shelo bitza'ar-kot-got gets so much nachas from you, esp. when you feel like

your brain is being carved into teracotta soufflette and you are still looking to hashem, and not acting out"

Wow, I just barely missed getting my noodles knocked out of me by that thai...

All I had to do is mention that Tzaddik90 is looking for people on his thread, and he ran for his life.

Thanks Tzaddik!

ANOTHER FAN SAYS "oh tzaddik, you are doing so great! you just dont realize it

do you remember how much Hashem loves you?

he loves you to pieces

and he Loooooooooves bnei torah, and people who are trying to do his will

and you ARE trying to be besimcha, and to act nice to your wife and kids

Wow, just when it's toughest, Hashem is so proud of you most

your'e under so much pressure and yet your'e trying to defuse it with emunah and chaverim and tefillos and its so special!

dont you think Hashem is so proud of you that you are trying so hard to KOT? everybody here loves you, but Hashem most. YOu can do it! make us proud, you are a true hero!"

Not really, I'm just falling off my rocker from sheer exhaustion -but I keep on hearing a faint cry over the Harei Yehudah...

Haloooooooooooooooooooo!

Haloooooooooooooooooooo!

And I can't decide if it's coyotes or Tzaddik90 or a Breslover doing Chatzos...

So I'm just making sure that you're okay before I finally turn in.

[strike]Dear Wilma,

Here, on the stony beaches of Normandy, we have seen the ferocity of the German Wehrmacht. Like a bull being held by it's horns, we have managed to hold him between Fauste and the Danube river. Many men were lost, among them, Barney rubble. Dying a hero's death, he was a man who sacrificed his own life selflessly to smother a grenade that had landed inside our pillbox. He is a man who will be forever remembered. Heros never die, they just fade away....

I am okay. Chief wants us to regroup and then do a sweep of the nearby cities. The left command says that soon our devision will be able to go home....[/s[/strike]]

ALIVE AND WELL IN JERUSALEM

HAVE STRENGTHENED MY RESOLVE

I WILL LEARN EVEN MORE TORAH

AND IT SAYS LULAY SORASCHA SHASHU-AI...

MIKABLIN ALAV OL TORAH MAAVEERIN MEEMENU OL DERECH ERETZ

I WILL MAKE POWERFUL RESILIENCE TO DO HASHEM'S WILL IN  
SIMPLICITY AND JOY

THE ONLY THING IMP. IN THIS WORLD IS HASHEM'S RATZON AND LIMUD HATORAH

my Rebbi once said "avi, why are u worried? the only thing to be worried about is an aveirah, or Hashem's will. so dont worry."

Today is monday. I have four days left until my test. In the big picture

this exam is meaningless. Hashem can give me parnassah another way. This is just a dimyon, to test me.

A person's yiras shamayim is only nikar most during a nisayon.-sefer chasidim

so this math course, and college, and all of it's 250,000 alumni and 30,000 students are all their, so that I, in yerush. , on the computer, can be tested in my yiras shamayim.

Sefer chassidim says that Hashem wants to give chessed. The s'm says "let's test him first just to see if he has yiras shamayim".

So after passing a nisayon, he is to receive chessed.

This is not about parnassah or college

This is about how Hashem wants to see if I have yiras shamayim

If i will get upset at Hashem, c'v

or if i will surrender to him and be besimcha

will i be biatzvus and yiush and critical of my wife and judgemental of kifferent type kippas

or will i struggle to be happy and thank hashem for what i already do have, and have love for who people are on the inside

and treat my wife and kids the way they deserve,

and most importantly, to treat Hashem who is my spouse and beloved, my friend, my father, my sister, and the closest person to me in the world the way that they deserve

BLI NEDER MY NEXT POST WILL FINALLY BE INTERESTING, BECAUSE I HAVE JUST SEEN AGAIN THE SECOND TIME IN TWO WEEKS....THE GAURDIAN ANGEL!!!

MORE TO FOLLOW...
