

HELP-SOS

Posted by pinokio - 27 Jan 2011 17:35

Shabbos is coming. This holy day unfortunately always throws me into depression. don't have time now to explain why, but point is its starting to set in my little brain right now.

I need support from any hands on deck at GYE. Im working on the inyun and am not gonna fix it overnight, but i just need a little friendship to keep me till motzai shabbos. Not embarrassed to say, and Im anyways gonna decide now that i wont let my feelings get out of control, hashems with me, and everything will be alright. ill be besimcha as best as i can. this isnt gonna be some amazing profound 100page thread, its just right now i need a little, yeah, you know already.

Ive gotta log off but will check later.

Help.

Very deep, and very true (which is important, because these days, there are lots of people saying deep things, or things that at least *seem* deep, but aren't necessarily true).

hi tzadik,

you sound good!

keep it up

meet me in Pizza Uri and bring along the guardian angel

p.s. what kind of kippa does the guardian angel wear? black kippa with white nanach letters or white kippa with black nanach letters?

Tested in your Yiras Shamayim?

You work with Yiras Shamayim?

I'm OK with that, but you might just get ambushed for such a saying, Rambo.

Not like you're scared of being ambushed or anything like that...

[tzaddik90 wrote on 14 Mar 2011 07:44:](#)

This is not about parnassah or college

This is about how Hashem wants to see if I have yiras shamayim

If i will get upset at Hashem, c'v

or if i will surrender to him and be besimcha

will i be biatzvus and yiush and critical of my wife and judgemental of kifferent type kippas

or will i struggle to be happy and thank hashem for what i already do have, and have love for who people are on the inside

and treat my wife and kids the way they deserve,

and most importantly, to treat Hashem who is my spouse and beloved, my friend, my father, my sister, and the closest person to me in the world the way that they deserve

SOLID GOLD POST TZADDIK

BLI NEDER MY NEXT POST WILL FINALLY BE INTERESTING

Thanks for warning us.

If you consider what you've posted until now not 'interesting', then I'd better grab a valium before reading a post which you consider 'interesting'

KOT!

EBD, i don't know if the glossary would do a good enough job of unraveling the mysteries of possums, cholint, kickboxing, light-sabers, marmosets, pizza uri, rambo and other such thought-provoking bits of information

unless it is updated heavily and frequently

reb Gesher, if you wish you can lay out your grievances and i will humbly apply my very best

to say or not to say

to move on

to rebuilt

to say to

to understand what i mean

to then move on

to rebuild

to say to
