Posted by pinokio - 27 Jan 2011 17:35

Shabbos is coming. This holy day unfortunately always throws me into depression. don't have time now to explain why, but point is its starting to set in my little brain right now.

I need support from any hands on deck at GYE. Im working on the inyun and am not gonna fix it overnight, but i just need a little friendship to keep me till motzai shabbos. Not embarrassed to say, and Im anyways gonna decide now that i wont let my feelings get out of control, hashems with me, and everything will be alright. ill be besimcha as best as i can. this isnt gonna be some amazing profound 100page thread, its just right now i need a little, yeah, you know already.

Ive gotta log off but will check later.

Help.

tzadik, remember the serenity prayer

if you can't change it then it's not your responsibility

your job is checking the tomatoes at pizza uri

if the family is a bissel whatever it is not a reflection on you

It's over.

phone call lasted 24 minutes. handled it great.

Truth is that i called gesher and zem for reinforcements just because i wanted to fortify myself with some extra kryptonite

but im actually so strong and healthy (relatively to before) that i almost always know how to cruise through these calls nowadays

How come no one ever calls me to ask how im doing?

or my angel fish

or my kids....well....that they actually do call for

or my canker sore on my tongue

~~or my guns and roses tatoo on my back~~ just kidding

but i used to go to the sadigerer mikva out on shmeel hanuvi street, near ohr sameach, and you'd see guys in the mik with dragons, ships, ~~R chain in stencils i bet he was never yet mentioned by name on this forum~~

Im okay. thank u calvary. at ease. please, make ur selves at home. TEa? cofee?

as far as the angel fish, theyve seen better days-i mean, theyre collecting alotta dust rotting out on my din din table

i gave most of my fish to a fellow gye....

i thought the turnstile kept the fish out, or did it keep them in?

~~Well, a shark is a fish, isn't it?~~
