

HELP-SOS

Posted by pinokio - 27 Jan 2011 17:35

Shabbos is coming. This holy day unfortunately always throws me into depression. don't have time now to explain why, but point is its starting to set in my little brain right now.

I need support from any hands on deck at GYE. Im working on the inyun and am not gonna fix it overnight, but i just need a little friendship to keep me till motzai shabbos. Not embarrassed to say, and Im anyways gonna decide now that i wont let my feelings get out of control, hashems with me, and everything will be alright. ill be besimcha as best as i can. this isnt gonna be some amazing profound 100page thread, its just right now i need a little, yeah, you know already.

Ive gotta log off but will check later.

Help.

from another fellow math-atheist - Amen!
Tzaddik!

You are now my rebbe.

I have to read your posts about this math thing, and apply them to all of the things that have gotten me terribly depressed lately.

You are a true inspiration!!!

324 posts in your thread

divide by 3 for gye

equals 108

palga alai upalga aluch

equals 54

machtziso baboker umachtziso ba'erev

equals 27 first nite of Purim

27 second nite of purim

LECHAIM!

lisheim doing a daily post, bidcheeli uricheemi....(s/one on gye thought i was a chassid, funny?
really im just a litvishe crackpot)

working on being happy with my lot in life

if im happy abt getting what i want, i'll never be happy

if im happy always with what i have, i'll always be happy

this should solve most of my problems in life

i'm glad it's this simple

then i'll be happy with.....and not look around

and i'll be happy with the situations i am in and not worry

i'll be happy that my cousin has a frog named Digit

the question is, if my cousin has a frog named digit, does that mean that the frog is my cousin?
looking to understand.

love, yochai (who's yochai)

tomorrow is a new day of growth

new insights, maybe long informative and hurl-inducing posts

good night brothers,

avi

our family has a strong tradition of getting wasted like cosmonaut frogs and not puking

i woke up just a bit more than an hour ago

drank half bottle of smirnoff

headache headache

but happy with my lot, what more can i truly have!

There was just a bus bombing here for the first time in years

it was on the #74 on way to Har Nof

do u know anyone in har nof? everyone does. Alot of talmidei chachamim live there....r
ovadia...r shternbuch....

neve campus.....good old imrei shefer....r tzvi kushelefsky's....

no one's safe anywhere.

We need to be michazeik in.....so i looked in a new sefer today from R' Elya weintraub....he

says a ben torah needs shmira frombad thoughts/women (GYE).....and..... lashon harah

we are working on the bad thoughts

let's also be michazeik in lashon harah

the chofetz chaim wrote alot of nice books that most people never even read

i made one step now-i took one off the shelf.....hashem help us heal and grow

we are here on GYE to grow

I remember reading a story from r mendel kaplan-he once said "a certain extreme group of jews are %100 right in their views-the problem is that they are missing a capful of ahavas yisrael

and if they are missing ahavas yisrael THEN IT DOESNT HELP TO BE %100 right"

gentleman, we can become clean, and tahor and kadosh

let's make it that it helps to be clean too

Tzaddik, from now bl"n I will redouble my efforts in Shmiras HaEyneyim, Shmiras HaPeh and Shmiras HaMachshavah.

May we be zocheh to be mesakein Machashavah, Dibbur, and Ma'aseh -and thereby be zocheh to Shmirah Elyonah.

EXTREMELY IMPORTANT POST

i would like to post s/thing which is defcon 2-3

but the spouse is on the phone 49 centimeters away....and she DOES read english

i have inside information (from her) that she will be mortified and unforgiving if i even think of going to an SA meeting, which is what i wanted to discuss...more to come...

Re: HELP-SOS

this important post will not really be ABOUT such a meeting, so even if you currently never plan on going to such a meeting, you can still participate in this discussion

its about actually facing mySELF and the fact that i, the big chashuv I, am a twisted freak sicko with an illness of hypersexuality, who is out of control and lower than a dog

it is about showing my face there and seeing people just like me, and making the transition from hiding this painful reality to facing it head on

you know what a deer does when the car lights are in his eyes

that's what im doing now

that's what i want to discuss

id love to go to such a meeting

it'll help me grow in my life,

and finally leave the fetishes and women and weird sick stuff behind

and just be clean lick a whistle

spouse is now a few meters away

and my problem was not just p&m

it was more

and that is painful to face

if only the cavalry could come and spit in my eye, and say "TZADDIK-YOU ARE A SICKO
FREAK AND A GREAT GUY-ITS NO STIRAH"

right?.....

more to come...

drama....

action....

GET DOWN!!!

GET DOWN AGAIN!!!!

sorry, i keep on having recurrent thoughts of arnold...and....and...
