Hey, Reb b. Can you help the monsta trokk guy find something to do with himself on Sundays? He has too much time on his hands. (I seriously cannot even *imagine* having 'spare time', at all, myself, but nu. Another example of 'life stranger than fiction', I guess...)

BOT if ur bored ask ur wife if she needs some help, i'm sure she'll find something

it would have been nice if Tishrei (and Nissan) would have about 4 extra Sundays

making honey cake

carrot muffins

buying a sheep head

*(jelly fish heads is cheating)*

getting the kittel cleaned

getting the atara polished *(and the mittel-bond, for rebbe b)*

pick up kor'im papers for shul

track down machzorim for everyone

order cake for the kiddush before tekios

stick the cloves into the esrog

make kreplach

getting malkus

build the sukkah

build the shlock

esrog checking

buying out the store for simchas torah nosh

~~STUFFED CABBAGE~~ HOLOPTZES, nuff said

and finally, Weight Watchers start on Sunday parshas Noach
