8) **love the lord guys.**

he actually gave you power while you were mz"l to do it, even though it's against his will and it's merachek the geula vechulu vechulu.

and then a minute later he asks you, "mein tiere kind", please do me a favor and put on tefillin :'(- how can we not dance for joy that we have such a good loving father **asher bachar banu**

the holy holy aruch hashulchan writes that it's lechoira shver why we make two brachos on tefillin, since when do we make two brachos on one mitzva??? and whats the inyan of baruch sheim afterwards?????

he answers.... WE'RE SO OVERJOYED THAT HASHEM GAVE US **THE GEVALDIGE GEVALDIGE MITZVA OF TEFILLIN** that we first make a regular birchas hamitzva- asher kidishanu

and then.... and then we yell [in silence] THANK YOU HASHEM AL MITZVAS TEFILLIN. and we don't stop there, we say BARUCH SHEIM KEVOD MALCHUSO LEOLAM VA'ED

yishtabach shemo la'ad

JEWS, keep on rockin' 8)

listen up guys and TZ is gonna tell you a mashal about tefillin:

we all feel down after m*&^%\$%#@ing :-[right, but everyone's telling us, it's just the satan's work. :o

and you're thinking :-\

no!!

it really bothers me that i did an aveira, shouldn't i feel bad?

let me ask you something my friends,

imagine getting up in the morning showernig, getting dressed, brushing your teeth, downing a cup of woodford.

going downstairs and...

getting into your truck for a long haul

that's right, just like billy!

no davening no shul, not even a coupla minutes of murmuring absentmindedly under a tallis

how would you feel? :o

your whole day you'd be beset by guilt wouldn't you?

let me ask you something my dear friend, you **did** daven today you **did** don your phylacteries

why aren't you **dancing for joy!!!!????**

and it's just maaseh satan :-X

[psssst- there's a minyan at the next truck stop billy :-*]

p.s. i just found [*this*](#)
