

the major impact of a little light

Posted by aish kodesh - 21 Dec 2011 21:38

---

i think the message of chanukah is ,to do a lot of small things for hashem and each thing will bring great light in the real world even if it looks like nothing dont underestimate ,it adds up and we cant imagine why kind of naches hashem will have from it ,and never forget that it could be last brick for the bais hamikdosh
