Daf Yomi Questions and Answers
Posted by ur-a-jew - 03 Aug 2012 14:18

_____

We came, we were inspired and now we need to take action. As Reb Scheiner said. It's not simply about learning the daf, its instilling within ourselves ahavas hatorah. One who has an ahavah for Torah doesn't need to pursue tayvos olam hazeh, he is too busy with olam habah. He won't waste his time with idle things, after all he has a lover: the Torah. So if you feel the urge come spend your time delving in the amkus of Torah rather than lehavdil the depths of depravity. My goal is to post a question or several a day on the daily daf and the oilam can post answers. Remember aiyen ponim l'torah so there can be more than one answer to a question.

1. The gemara says that one of the parshiyos contained in Hashem's tefillin is the possuk:
?? ???? ?????, ???? ???? ?? ??? ???? ???, ???? ???? ???????? ??????? ???? ???? ??????
?????, ???????? ?????: ??? ???-??? ??? ?' ??????, ??????--??????.
From the gemara's questioning earlier it seems that the possukim that are in Hashem's tefilling where chosen because they reflect the praise of klal yisroel.
It would seem that this possuk describes not klal yisroel's greatness but Hashem's greatness. Why then was it chosen for Hashem's tefillin?

2. Another possuk that the gemara says were in Hashem's tefilling is the possuk ????? ?????, ?? ??-????? ??? ???, ?????, ???? ???????; ?????? ??-??? ??' ?????, ???? ???. It would seem that the possuk previous to this should have been included as well. First, the possuk ????? seems to start in middle of a thought hence the "?" at the beginning of the possuk. Moreover, the possuk immediately prior is the possuk ??' ?????? ????, ????? ?? ??? ????, ????, ???-??; ?????, ??-?????? which is the very possuk from which the gemara proved that ????? ???"? ???????? ???????

1. The gemara says that if the "brocha achas" made by the Kohanim is ???? ??? there is no proof that ????? ??? ?????? ?? ?? ?? since maybe the reason that ???? ??? was not yet said is because it was not time yet for ???? ???. Rashi says it is no question how the Kohanim were able to say Krias Shema already since they say it before the zman as it says in Yoma ????? ??

_____

_____

??? ?? ???? ???? ?? ??? ????? ???? ??????. The problem is that the brocha achas and the krias shema where both said after the Korban Tomid which was itself brought after Amud Hashachar, if that is the case, why then are you not yotze Krias Shema didn't the gemara earlier says ???? ?"? ?? ???? ???? ????? ???? ???? ?"? ??? ????? ????? ??? ???? ????? ???? ???? ???? ???? ????? ???? ???? ????? ??? ??? ????? ??? ?? ??? ???? ?? ????. and the Gemara in Megillah says with respect to mitzvas to be performed during the day ????? ???? ????? ???? ???? ????

2. As proof that Yetzias Mitzrayim will no longer be remembered the gemara brings down a possuk in Yirmiyahu Perek 23:

??? ???? ???? ??? ?' ??? ????? ??? ?? ?' ??? ???? ?? ??? ????? ???? ????? ?? ?? ?? ?' ??? ???? ???? ???? ?? ??? ??? ????? ???? ????? ???? ?????? ??? ?????? ?? ?????, ?? ?????
How come in the beginning of the possuk the possuk refers to ??? ????? and in the end it refers to ??? ??? ?????. The question is even stronger considering that these same two possukim are found earlier in Yirmiyahu Perek 16

??? ???-???? ????, ??? ?' ??? ???? ??? ?? ?' ??? ???? ?? ??? ????? ???? ?????. ?? ?? ??-?? ?' ??? ???? ?? ??? ????? ???? ???? ???? ??????, ??? ????? ??? ??????? ?? ????? ??? ???? ??????. In those possukim klal yisroel is referred to both times as ??? ??????

According to the interpretation that if you don't have a dream in seven days(each week?) you are a Rasha, does that include "bad dreams"? i have looked at "bad" dreams as just that "bad", but maybe according to this pshat "bad" is good and certainly better than none.

The gemara asks whether someone who is fasting can taste ????? ????? ???? ???? ??? ???? ?? ????? ???? ???? ???? ??? ????. From the gemara's question it seems that tasting is not considered eating but it would be considered ????. The gemara answers ???? ???? ??? ???? which suggests that the gemara concludes that tasting is not considered eating but that is all that is prohibited. Tosafos seems to have a different understanding however since Tosafos says that the reason that you can taste is ????? ????? ??? ???? ???? ?? ?????? ??? ???? ??. In other words, according to Tosafos ???? is what is forbidden but this is not ????.

1. Where does Tosafos see this in the gemara?

2. How does Tosafos understand the follow-up question of the gemara ?? ??? ????, since in any event, one is not swallowing it, what difference does it make how much you put in your mouth?

This same gemara appears later on on daf ?"?. There the gemara also says that ??? ?? ???? ???? ??? ??? ????? ?? ???? ??? ????? ?? ??? ????? ?? ???? ??. So isn't the question when the gemara says that a person who has no dream for 7 days is a rasha does that include good dreams as well?

If you look in Rashi on that sugya "?' ????? ???? ??? ???? **???? ????** ??? ??? ??" it seems clear that the gemara's reference to someone who had no dreams, is someone who had no dreams at all whether good or bad.

_____

????? ?? ?"?

1. The Gemara brings down a possuk in Mishlei which it learns alludes to techiyas hameisim and concludes ???? ????? ??????? ??? ????? ????? **?? ?????**. Why does the gemara state that the proof is from the "Torah" when it brings down a possuk from Kesuvim. While Torah can presumably refer to ??"?, the gemara in Sanhedrim (:?) when it discusses this same topic seems careful to differentiate between the three ???? ????? ?? ??? ?????? ????? ?????? ???? ??? ???? ???? ??? ??? ?? ????? ??? ??????? ??? ???????; moreover it would seem there is reason to differentiate between the Torah on the one hand and ?"? on the other hand, since there are those that accept that Torah is from shomayim so they would acknowledge Techiyas Hameisim were it written in the Torah but they wrongly don't accept the words of Chazal so it would seem they would reject Kesuvim and possibly Nevim as well?
