

Nesivos Shalom on Parshas Tazria!!!

---

I was learning the nesivos shalom this week for parshas Tazria, and my heart stopped!

The Torah was the second Torah on the parsha, "Inyan Hanegaim" the first piece, (for those who have the Sefer, its on page 52, which also happens to be the Torah of hisbodidut in the likutei moharan, just my own observation)

The slonimer rebbe explains that the seforim say that pgam Habris also brings negaim, and negaim isn't just an issue of tumah and tahara, but it blocks the mind, heart and emotions from connecting to Elokus

He also gives eitzahs to help with the issue!

Nesivos shalom is amazing!!!
