This parsha is the beginnings of Mashiachs\_Ben Yosaif and Ben David

Both YOsaif and Yehuda ,just as many of us ,act human. Sinning in sexual ways.

Yosaif sins in a certain sense with The scoundrel Eishes Potefar ,Yehudah with a perceived harlot.

Both .....Disgruntled by their brothers

Both .....end up involved in a trial

Both.....leave physical objects as evidence

Both end up marrying tzidkanios who act valiently (Asanas who tells the truth

end saves the day and Tamar who will risk anything than embarrass Yehudah

Yet there are differences

Why is that

All good things Chaim
