Credit; [????? ??????](#) GYE Yiddish.

After reciting the Haftarah of this week P 'Shelach with the story of the two spies ?????? that  
????? sent, and as they stood in the house of ???.

I took out for interest an ??? ????? and looked a little into the verses of the Haftarah with The  
commentators, there are three Rashi's who caught my eye, and shook me dryly. And this is:

Joshua II verse 11 says Rashi :

???? ??? ?? ?? ?? ?????? ??? ?? ?? ??? ?????, ??? ??? ????? ????? ?????? ?????? ?????, ?????  
?? ?????? ???

Later in verse 15, where it is stated that ??? let the two spies down with a ribbon through a  
window, Rashi Says: ????? ??? ?????? ??? ?????? ?????? ???. ????, ?????? ?? ?????? ?????  
???? ?????? ??..

In the next verse where she tells ?????? the two spies that they should hide for three days  
until those who seek them will return, Rashi says from where did she know that they will return  
exactly after three days? Rashi ... Hear words: She saw in ??? ????? that they would return at the  
end of three days...

This is where my brain stopped.

Whaaaaaaaaaaaaaat???

After forty years of active addiction???

And wait a minute ...

At that night she was still very active in the addictions, so much so that she was a danger to the  
two righteous people who joined her. As Rashi brings ?????? 6 verse 23 that the verse calls them  
angels because they were careful not to fall for her and the late Rishonim: . From here we see  
that even on that night alone, she still had to be guarded by an angelic hero.

And in the next day - suddenly she has the ??? ?????..... Are you aware of what is happening here ...?

She sees with the ??? ????? what is going on, so not me not you, with such simplicity ...

She gives life's critical advice and guidance, for the two holy and pure ????? based on her ??? ?????, what is going on here,?????????

Yes dear Jews! Here comes the middle Rashi that I brought.

She said, Lord of the world in which I have sinned in which you will forgive me.

See how far reaches a true movement of repentance, a true cry of a broken heart.

Heavenly Father: I have sinned ... I have repented, I have repented,

With the vessels that I have incensed you I now repent, I give you the window and ribbon with which I have sinned against you, to save your spies for the good of your holy people.

Yes! ????? ????? ????? ????? ?? In which I have sinned and in which you will forgive me.

Dear Jews. Dear Jews, let us shout to God in heaven:

????? ?? ????? ????? ?????? ????? ?????? ??:

I have sinned with the unclean internet.

And with the same internet, but "Holy site - guard your eyes " I ask Heavenly Father forgive me.

The window (monitor) with the ribbon (mouse) with which I teased you, Dad, because of my bitter addiction,

I give this to you now, if you will forgive me, and with this I will repent.

And let us go out and learn a light and material thing from ???, which she had never before been even a Jew, but she cried with a broken heart to the Hashem, if I had sinned, holy Creator I had always sinned against me, I confess, I have confessed I have sinned and I repent, I beg

your pardon, forgive me for my bitter sins.

And take a look at what has become of her, no more and no less a ????? ??? ?????, and if that is not enough, it is well known that she was converted and she was married to - no one else - Like the rabbi of the Jews ????? ?? ??? himself.

If so what happens to us dear holy Jews. After all, we are sons Hashem, the beloved Father in heaven stands with outstretched arms. For whom?? For us, he waits for our repentance he longs to hear a true groan from the depths of our heart.

Who knows what level we can reach ... ??? ????? is little said.

Gentlemen's, we have a bright future ahead of us.

And we will win and rest and see. Amen.
