

Ezras Nashim

Posted by bardichev - 21 Jun 2009 16:22

Welcome to the Ezras Nashim

Welcome to the Ezras Nashim .If we are going to have a complete Bais Medrash we NEED an Ezras Nashim

The point of this thread will BE"H be threefold

- A. To present Divrei Torah which will be relevant to women
- B. A place where the women can present their Torah Thoughts
- C. To encourage women both who are struggling or who are trying to help their spouses in their own struggles

It is my fervent hope that a Kiddush Shem Shamayim will come from this thread.

I will dedicate the first Dvar Torah on this thread to a real Tzaddekes on the forum 7yipol-tzadek(es) Vkom!! (7-UP!)

and to the women who stuck it out here as miribin TrYiNg habib 613 and to the many tzadkonios who are guests

One more introduction this Bals Medrash is set up to be a lively give and take in the true Bais Medrash format.I kindly request that debating and personal stories should be kept in the Women's Forum (This applies to the men too.)

bhatzlacha

humble and HAPPY

Wowwowwowwowwowwowwowwowwowwowwowwowwowwowwow!

This whole new perspective of Hashem's love -not wrath- is so mind shattering, i'm smiling from ear to ear. Personally, i only look at the back of the machzor during the aseres yemai teshuva cuz i have a back of the machzor permanently in back of my mind that i'm really trying to simcha away always!

p.s. i knew you were listening in, mom! hugs! miss you 2! like crazy!

Wow! The Rebbitzen Broke The Rule to Admire the Rebbe!

Gevald, dose that say a whole lot.

Hey! Rebbitzen, as much as we miss you, (you can see for yourself how farshlufen it around here since you took leave) Your doing the right thing.

Family First!

EL

once the balance is created and stabilized,the benifits that will be received by the real family and adoptive family will be doubled and tripled.

and that is what we patiently are waiting for.

this balancing act is a skill,an art,and it takes time to master

for a caring Mom, it takes more time than most

Bardichev, that was totally gevaldik. Sh'koyach gadol.

Cute also that you couldn't resist sticking in a B. joke in middle of a serious d'var torah!

Thanks for giving us back your old pic...

we need all the simcha possible in Elul.

Question: what halacha does 'bardichev' and 'battleworn' and 7up etc have? In other words, is there an issur of lashon Hara? can one be over on being insulting in public? Do we have to ask mechila?

Or do the avatars all get together for the high holy days and take care of themselves?

I've been thinking this one for a while, and think that there is no lashon hara, but there is on'as devarim.

What do you think?
