As your Rov, I'd like to take this chance to give you a little shmuz.

We have to thank Hashem for all yiddin's happiness, if it were your brother would you be happy? Of course. Well guess what? It is your brother.

I hereby resign as your Rov, realizing that I might need to work on myself in this too.....

i actually like that post.

we should have a place for that too, as long as there isn't an ayin horah.

we could call it the "hodu lashem ki tov thread"

inspiration for starting this thread

Thank you hashem for my first ever surrender.
