

LUST OR DISGUST?LETS DISCUSS!

Posted by ieeyc - 25 Apr 2018 23:39

I dont have the leshonos in front of me ,but here goes.

The Gemara says that an isha is like a untensil full of feces and blood,but nevertheless everyone is running after her ,how i this so? Gezeras Melech he! Which means,in order for there to be a continuation to mankind, Hashem decreed that men have to be attracted to women (and the decree is being obeyed pretty good!) eventhough in reality, its something to be disgusted/not lusted .

Does this mean that women dont or should not be respected?G-d forbid to suggest such a thing! A nonjew is Tzelem Elokim-Made in the Image of Hashem,and a Jew has that, **plus** a Neshama Kedosha,so respect upon respect is required(unless that person is a rasha meroosha).

Does this mean that i **MUST** lust after her?(hey a decree is a decree).G-d forbid to say **that** ,Viatah timshol bo! and you will/should conquer him (the yetzer hara)!

So my main question is where does this leave us, regarding the temptations of the street? And in what practical way can we make use of this precious secret from Chazal?(and it **is** a secret because suggest this idea to someone who is not ma`amin in Chazal and ask if they agree to this ,or are they **vehemently** opposed.)

To be continued ,be`ezras Hashem.

i think the answer to the spoiler is a known idea,and that is , there is **reuvan** and **shimon**, **reuvan** grew up being taught that its forbidden to look at women etc...**shimon** on the other hand grew up among goyim and had the mindset of a goy, nothings wrong ,nothings asur etc,one day **shimon** sees something in the street and looks, **yanky** approaches **shimon** and says ,why did you look at that lady,doesnt **reuvan** know that its forbidden?**shimon** will look at **yanky** and ask what does **reuvans** knowledge have to do with me?

The same exact thing is with us , we have a seichel, brain(reuvan) ,it knows,it has the knowledge that looking is forbidden,the heart(shimon) which controls our actions[in chazals lashon,the melech of all the ayvarim is the heart] has the desire to look and DOES NOT HAVE THE KNOWLEDGE THAT IT IS FORBIDDEN! and the fact that reuvan (the brain) knows ,it does not affect the ignorant heart(shimon)

Whats OUR job, to take that knowledge in the brain and to send it to the heart until not only the brain knows it but also the heart knows it , and when the heart knows that its wrong to look, youll see a MAJOR difference in what you do in the street.

VIYADATA HAYOM, VIHASHAYVOSA EL LIVVECHA-YOU SHOULD know ths idea, and send it to the heart, dont let it just remain in the brain,and THATS what learning musar accomplishes.

However when I am insane, then unfortunately yes, I will act out, (borrowing from your lexicon) "feces and all".

you mean to say 'however when i am insane "-from the ruach shtus?

For me it's the fact that I care more about myself than I do that it's assur.

In other words, it's a lot easier for me to live with disobeying God than it is to live with my life and emotions.

Call it ruach shtus, call it insanity... whatever you want. For me I don't think it's a lack of knowledge in my heart.

reuvan(the brain) KNOWS that znus is feces, reuvan (the heart)however thinks its beautiful and therefore chases after it,meaning the person **does**(action controlled by the heart)something that the brain **knows** is wrong ,disgusting.and this is the answer to the question in the

I just want to clarify that I do not mean to claim insanity as lawyers try to do for their clients. I take full responsibility of my actions even when I am insane. I will be held responsible for allowing myself to reach the level of ruach shtus.

It was a request to meet. I live hundreds of miles away from you but I'm in your vicinity for a few hours. You will never see me again.

I'm sorry ieeyc, I know I pointed this out myself at the beginning of your thread but I keep forgetting this is the T&C board. And even if it wasn't, you're more than welcome, even encouraged, to explain what has helped you. I just saw your question of why we do what is forbidden and wrote my answer. Then remembered this is probably the wrong board for that sort of discussion.

Apologies again, by all means keep posting, I'd like to hear your thoughts.

I actually find that this feces method keeps me out of my wife's bed, and that's a good thing (especially when she's in the forbidden state, but even when not)! So, keep on chiziking please.
