

LUST OR DISGUST?LETS DISCUSS!

Posted by ieeyc - 25 Apr 2018 23:39

I dont have the leshonos in front of me ,but here goes.

The Gemara says that an isha is like a untensil full of feces and blood,but nevertheless everyone is running after her ,how i this so? Gezeras Melech he! Which means,in order for there to be a continuation to mankind, Hashem decreed that men have to be attracted to women (and the decree is being obeyed pretty good!) eventhough in reality, its something to be disgusted/not lusted .

Does this mean that women dont or should not be respected?G-d forbid to suggest such a thing! A nonjew is Tzelem Elokim-Made in the Image of Hashem,and a Jew has that, **plus** a Neshama Kedosha,so respect upon respect is required(unless that person is a rasha meroosha).

Does this mean that i **MUST** lust after her?(hey a decree is a decree).G-d forbid to say **that** ,Viatah timshol bo! and you will/should conquer him (the yetzer hara)!

So my main question is where does this leave us, regarding the temptations of the street? And in what practical way can we make use of this precious secret from Chazal?(and it **is** a secret because suggest this idea to someone who is not ma`amin in Chazal and ask if they agree to this ,or are they **vehemently** opposed.)

To be continued ,be`ezras Hashem.

Sorry, was in a rush Erev Shabbos. I didn't notice GS posted the starting of the Gemora, It is worthwhile to learn the whole thing inside normally.

ieyec, Please don't take the next few sentences personally. I don't mean anyone specifically. I understand that this is a T&C thread, however I feel this belongs here.

Some people are against SA, and as an extension, they do not want to accept anything that is mentioned in SA literature. We know ???? ?????, Some Meforshim explain it, because they took their knowledge from the Torah. Alot of SA ideas can be sourced in the torah. For references, ask Rabbi Twerski and Rabbi Taub, etc...

I think the concept of praying for the woman has a much deeper meaning.

When we look at a woman lustfully, we are idolizing them as our god of lust, when we look at them in a disgusting manner, we are also idolizing them, just this time as the evil incarnate. The point of the prayer is to recognize that they are human like us. They struggle with the same issues as us. They have a family to feed, bills to be paid, etc...

Git Voch!

haman also had a family to feed , and we say vochol harishah kirega tovayd!hey ,whtever works

for you, as for me this is what works and im not alone.

Let's try some simple logic here. A man who tends to use pornography to get his kicks (even though he is frum and he knows it's ossur), and to masturbate himself (even though he is frum and he knows it's ossur) is tempted to stare at a jogging woman (who is probably just trying to get a jog and not a boyfriend to follow her home)...and **she** is the rosho? *She* is the one that man is pretending is the subject of "vchol harish'oh k'rega tovaid"?

There's a mistake being made here, chaver. Its called projection.

The tefilah of a person who chooses a twisted view of basic reality will not have wings, v'lo porchi le'eilo klal.

Please consider getting on the same page with reality. I have found that Life works a lot better when I accept reality and come closer to being on the same page with Hashem **that** way, first. And after basic self honesty is present and functioning, Torah will become usable. As they taught us, "derech Eretz kodmah laTorah."

Theres a lot more that can be discussed about this topic, by no means am I suggesting that the facts I am bringing up paint the entire picture here. But I have found that the acceptance of certain simple realities is essential to being able to see the whole picture better.

So let this be s start, chaver.

Besides for any other issues, you do a dis-service to gye with all your multiple usernames, by messing with the GYE stats.

Gye has statistics they advertise of let's say 10,000 members in recovery. If some members have 5 usernames, that doesn't bode well for GYE. I think you have enough hidden usernames.

You want to hit recovery? Enough with all these hidden names, use your real name as I do :-)

If he's got some intelligence, why doesn't he respond to the point of my post above? Is he just here for mischief, or is he really here to discuss?

Something isn't right here...

The forum is a different place with this mischief. He's also cruel to me and others - sorry I can't detail here why

I hesitate to post on my thread with him around, he messes on my thread. Yours? he has a policy not to read dov quotes...

The forum is a theme park each time he comes back...

Im logging out of GYE until byebye and gyegye decides to leave on friendly terms.

Well, I'm sorry you feel that way and you are letting this idiot win. I hope you stay here and ignore him, if he bothers you. He's just a bully and a troll.

Sometimes, he writes very sensitive-sounding things to people...then goes right back to crazy and hurtful stuff. He's a bit more unbalanced than the rest of us, i guess.

You wrote that he doesn't read stuff I write, markz. But I noticed "eeyc" wrote a thank-you on the bottom of the challenging question I posted above...even though he never responded, poor guy. Unless I'm mistaken, he's just a player. He reads plenty of what I write and what other people write, but denies it in order to annoy sensitive people like you.

Have a nice day anyway, markz!!

although trouble is my middle name (and first), every once in a while.....

perhaps if we all up markZ's karma some, he might return

he probably has a doohickey on his smart-fit-watch that triggers a beep every time it's raised (or deducted)

1- Good moshol. Now please detail here (no links, just spell it out right here, please) exactly what sinful behaviors *you* have been doing that you're hoping GYE will save ***you*** from. Most of

us have done this. I don't think you have and here again you're talking 'for others' sake'. Enough, please. Tell the truth about yourself and your own masturbation right here. Your own pornography use habit, right here. When did you start. How often do you use porn and how often do you masturbate yourself and when was the last time for both of those, please. Write about **yourself**

now please, and clearly. I and most here have done this already.

And then write here if GYE is saving **you** (if it is) from those same behaviors.

This is your chance, gyegye/byebye/ieeyc and whoever you are, to finally join the group and demonstrate your honesty and sense.

2- I wrote above, "if he has intelligence, why doesn't he answer my question" and meant it. There no insulting here, just a question.

So please answer my post #330983 above. My point to the writer was a simple one and touches on recovery deeply. Just respond to it.

Another opportunity for you.

even though a mistake was made, since the gye tech team says they know things about the posters, do they also have a way of knowing our true identity,that would be creepy since this is supposed to be an anonymous forum where sensitive private secrets are being revealed
