I've always wondered about the severity of the sin of acting out. It's very odd to me that if it is one of the worst sins possible, why isn't it clearly outlined in the Torah, as opposed to through the a story. Most (all?) Other serious sins seem to be very clearly stated. Any insight?

You will find a pretty scathing Torah version of what in SA they call a "first step" in ?????? ??????
??? ?????? ??????

There in ????? ???????, if i recall correctly it gets "best" in perek 7

Oh and looking and real women (pre-pubity or afterward i.e. ???) we find in ??? "???" ??? ???? see schach ?'

Staring abd thinking about her too sexually i.e. ??? ???? ???? would be an issur of ?????? ??? ?????? being that it cobstitutes ?????????? ??????? ??????

So, that counts as a direct passuk of ?? ???? ?????? ??????

Albeit, true, there's no such thibg as ?????? ?' ?? ??? ???? ?? ???? ?? ?????? ?
