

Vayimaen Messages

Posted by iyh2023 - 11 Mar 2024 15:45

Hey y'all, many of us watch the daily Vayimaen videos. They are extremely powerful and encouraging, but being that it takes about 3 minutes to watch, when the hustle bustle of the day sets in, I tend to forget the messages. With that, i would like to make a daily post, a short post, with the point of that days Vayimaen video, which will take quicker to review then watching the whole video.

If it is helpful to you, please hit "Thank you", so i can know if it is something i should continue.

Here goes todays post:

How to get true simcha:

Rabbi Nachum Binder said over from the Sfas Emes, that by beating the Y"H, we experience true simcha, and especially in the month of Adar, which is the month of Yosef H'tzadik.

Feel free to add the message you got from the videos!!

I appreciate Rav Uren Reich's message today.

Built With Love

Because it is hard for us to give stuff up, the there is more **sacrifice** contained within - ????

than for someone for whom it would not be such a sacrifice.

Good, meaningful helpful thought.

I keep coming back to this powerful message from Rabbi Yaakov Asher Sinclair (posted about 10 days ago).

"We don't believe that the Yetzer Hara is a loose gun. Nothing has any independent power. Nothing."
