Posted by bardichev - 26 Oct 2010 21:28

WHAT IS CHIZZUK?

IS IT JUST SAYING IT'S ALRIGHT IT'S OK?

IS IT SCREAMING KEEP ON TRUCKING/

WHAT DO FEEL CHIZZUK IS?

DO YOU WANT CHIZZUK?

FROM WHO?

HERE IS MY TAKE

CHIZZUK IS A GOOD VORT FROM SOMEONE WHO RECOGNIZES THE GOOD IN YOU
AND BRINGS IT TO THE FOREFRONT

SO HERE IS A THREAD OF GOOD OLD CHIZZUK

CHAZK VE'EMATZ!!!

chizuk comes from the shoresh chazack, stength. just like when we build up our strength it takes time, first we lift 10 pounds then 20 then 30 etc. so to chizzuk. it can be anything, actually constant chizuk is redundant cus you need to contantly do it.

thats what it meens, i think

reb bards, i am in total agreement with you on this definition. try to find a good point in a person and build from that.

Rebbe Nachman Mi'Breslov in L"M 1:282 Azamra says we have to find good points in everyone,

and judge everyone favorably, **including yourself**. that will actually cause them to become better. by focusing on the good points you will also be more joyous.

he says that all his people should carry this torah with them at all times.

ayen sham vetimtza nachas

After that , though, just wait a while before opening up the can, 7UP.

At least, do not point at human head.

From our beloved rebbe - Bardichev

Why did Yaakov bless yosef about the women of Egypt clamoring to see him?

Is that a source of pride?

Is that what Yosef all about??

Entfert bards

Nayn nayn nayn

Yosef "never" knew that the women were looking at him

Such was his level of shmiras einayim

Yaakov was blessing Yosef "HATZADIK"
