

let's pump it up
Posted by pinokio - 24 Jan 2011 13:49

I'm a fairly new facearound here but i seem to see that this part of GYE is not frequented too much-I wonder why.

Maybe we could turn up the volume over here and see a little INTENSE TORAH CHIZUK ACTION!!!

Here's for starts-SOME TANNA DBEI ELIYAHU ACTION,tess vuv, daled

HERE GOES NOTHIN, Its worth a try, right?.....: SAYS THE HEILEGE MEDRASH, IN IT'S MIDRASHIC WAY, "IF HUMAN BLOOD IS SOMETHING THAT PEOPLE ARE GROSSED OUT BY, AND YET EVEN SO IF A JEW DOESN'T EAT THIS BLOOD, HE GETS A GREAT REWARD, then a person who WANTS TO steal and DO LUST, which is s/thing that people are CRAZY ABOUT, THEN CERTAINLY IF HE SEPERATES FROM IT THEN HE'LL MERIT FOR....(now listen to this boys..)..FOR HIMSELF, HIS CHILDREN, AND CHILDREN'S CHILDREN UNTIL THE END OF TIME

Doesn't that make you JUMP FOR JOY! WHO else in the world can smile to that more than us, can anyone tell me. I'll tell you....NO ONE IN THE WHOLE PLANET EARTH. That's right. So smile and keep Truckin'.

In the morning, if too early for scotch, then having moldy spoiled gree looking salami circles in a kid's locker for two weeks might help warm you up. Hey, maybe it'll work. Over.

Shkoiach gadol to R' Yoisef hatzaddek for the nuclear power booster; AND NOW FOR TODAY'S INTENSE TORAH ACTION:

Says R' Eliyahu Hanavi in Tanna Dbei Eliyahu, his bestselling book, the following (yud-gimel daled): By the way, this one will surely BLOW YOU AWAY!!!

...Sorry...says Eliyahu:

We have received report that **God has regretted havingever created the yetzer harah.**

Hshem says "what did i ever gain out of this slimy, sleazy character, what was i thinking to have ever created him?"

At that moment until now, an opening of mercy opened up for all "poshei yisrael" that we can now approach God with a little prayer and say to him "God-even you agree that it is the y"h that gets us to sin so much, he pushes us around so hard, so because of this, please God have mercy on me and take me back to you in complete t'shuva' ".

So friends, we see

a)the y"h is cons. responsible for making us sin like this-God understands us!

b) we offer this little prayer to Hshem and it is like a rebate on all of our sins- it's the best little coupon i ever got!

....squelch....Niner, Niner, this is BigRed, does anyonna ya'all got a spare tire....TBC

Now my friends,

its time for another TEETH CHATTERING EPISODE of INTENSE TORAH CHIZUK ACTION

Since it is hard 2find s/thing that hits that ticklish spot every day, today we'll have instead AN INTERESTING, ANCIENT, INTROSPECTIVE STORY that will make you want to TEAR YOUR HEART OUT (or make u hurl):

Says Eliyahu Hanavi in his book Tanna Dbei Eliyahu(yud chess, nun zayin):

"One time s/one walked up to me and asked "RAbbi,why is it that many baalei batim aren't able to have children?"

So i answered him "it is a matter of fact that God loves those couples with an ahava gmura and really enjoys who they are, are so he tests them so that they turn more to him in prayer, cuz he loves to interact w/ them".

Says back this guy "but r' eliyahu hanavi, it's not true!(what chutzpah to say this to a gadol) Really, God punishes those balei batim because they are evil in their hearts, and they really arent good people...and so they obviously cant have kids bec they do this and that"

Says back Eliyahu "there are maybe some people like that, BUT MOST OF OUR PEOPLE are GOOD SWEET PEOPLE WHO ARE CLOSE TO HASHEM"

friends, is this story familiar to you?

HOW MANY TIMES DO WE PASS JUDGEMENT ON OTHERS

HOW OFTEN DO WE PASS JUDGEMENT ON OURSELVES"I must have gotten a cold cuz' i'm a rahsa lust addict...."

No-maybe your'e like most people, or like MOST OF YOURSELF-LIKE ELIYAHU SAID, A GOOD GUY,CLOSE TO GOD AND ALL

so let's stop arguing with the eliyahu hanavi in our minds....let's stop questioning and start believing!

".....Houston, we have a problem....the eagle has landed.....thank god we had comfortable seats, my back's all sore...."-Buzz Aldrin
