I'm a fairly new facearound here but i seem to see that this part of GYE is not frequented too much-I wonder why.

Maybe we could turn up the volume over here and see a little INTENSE TORAH CHIZUK ACTION!!!

Here's for starts-SOME TANNA DBEI ELIYAHU ACTION,tess vuv, daled

HERE GOES NOTHIN, Its worth a try, right?.....: SAYS THE HEILEGE MEDRASH, IN IT'S MIDRASHIC WAY, "IF HUMAN BLOOD IS SOMETHING THAT PEOPLE ARE GROSSED OUT BY, AND YET EVEN SO IF A JEW DOESN'T EAT THIS BLOOD, HE GETS A GREAT REWARD, then a person who WANTS TO steal and DO LUST, which is s/thing that people are CRAZY ABOUT, THEN CERTAINLY IF HE SEPERATES FROM IT THEN HE'LL MERIT FOR....(now listen to this boys..)..FOR HIMSELF, HIS CHILDREN, AND CHILDREN'S CHILDREN UNTIL THE END OF TIME

Doesn't that make you JUMP FOR JOY! WHO else in the world can smile to that more than us, can anyone tell me. I'll tell you....NO ONE IN THE WHOLE PLANET EARTH. That's right. So smile and keep Truckin'.

yosef, i like it more n' more. there's nothing like seeing it in authentic torah source...Geshmak!

~~IN LAST WEEK'S EPISODE OUR HERO FELL TO THE CLUTCHES OF THE EVIL ZANGVIL~~

Hello friends, and welcome back. To keep status quo, tis' better to leave our hero, Tanna Dbei Eliyahu, for next weeks journey. Its not always easy to have that perfect midrash that gives the squiggly thing in stomach feeling all the time.

~~and so like the mishne lamelech, the Rambam holds that the hana'as milve cant be better than the milve itself, like the Ra"ch, and that's why it's not in halacha zayin~~Nonetheless, I will share with you a HEART GRIPPING STORY that will MAKE YOU feel ALL WARM inside;

SAYS THE MOST beautiful, holy wisdom of the R' Shlomo Freifeld book, which keeps making me cry:

"During the yom kippur war, the talmidim sat with their rebbe and heard his thoughts about the greatness of the jewish soldiers. Said one bochur in a critical way "But rebbe, they don't even keep the mitzvos". R' Shlomo pounded his fist on the table in protest and proclaimed "WE MUST WATCH WHAT WE SAY ABOUT OTHER JEWS BECAUSE WE WERE ALL ONCE ON THE 49TH LEVEL OF TU'MAH, AND JUST SEVEN WEEKS LATER WE GOT THE TORAH BY HAR SINAI!"

GEOINUS! GEOINUS!, LET THE MESSAGE RUN THROUGH OUR VEINS!

You see, we all have the parts of us that we want to change, and we try and try to improve, hoping to change and grow bigger-

So, when we view yenem and say "well, he doesnt even daven vasikin like me-he's a goy", we are SUCKING EVERY OUNCE OF GOODNESS FROM WITHIN HIM AND STATING THAT TO US IT IS IMPOSSIBLE FOR HIM TO EVER IMPROVE-

this is not how we want others to view us-we want everyone to say to us "you fell 2day? don't worry, your'e getting stronger each time"/"shmelke, your'e really a great guy, keep it up"

WE HAVE TO VIEW OURSELVES THIS WAY AND OUR FRIENDS, CUZ' IF WE REALLY DO WANT THEM/ OURSELVES TO IMPROVE, WEV'E GOT TO MAKE IT A POSSIBILITY, A POTENTIAL, A HOPE AND VISION

SHTEIG!!!

I think the franks on the grill...arre ready.....

i love that book!

thanks for sharing that story, it's great!

here are some more:

A talmid chacham once came to him and recounted how he was having chinuch problems with his young daughter. R' Shlomo asked him, "do you tell her stories?"

"of course, I tell her about the Chofetz Chaim, the Barditchever and more" he replied.

R' Shlomo says, "She can never measure up to those tzadikim at her age, tell stories of Jesse James and Little Red Riding Hood and let her be a child!"

He was fond of relating about a certain non-Jewish reporter -Dorothy Thompson - who wrote for a newspaper and was sent to Europe to cover the Zionist Congress and the Agudah Convention (Knessiah Gedola). She went to the Zionist Congress and she also went to the Knessia, but she had to dress up as a man to gain entry.

She reported that at the Zionist Congress she saw the Jewish intellect. At the Agudah Knessia she saw the Jewish G-d.
