

A new start for an old freind

Posted by shemirateinayim - 28 Mar 2011 19:21

I come from a quasi-broken home, devoid of all love and affection. I first turned to porn+masturbation as a temporary 'relief' from the bitter depression that I lived with day and night. With no social network, and virtually no family, i was left to raise myself, and provide my emotional needs. Porn gave me the only relief I knew of, and with the advance of DSL i went from google image search, to full blow VIDEOS (free ones - hey I'm cheap). Then with unlimited internet on my cellphone, I had an unlimited assortment of pictures to satisfy my never-ending lust.

3 years ago I found GYE, back on the .com site, even before the forum existed. After 2 months of tortuous work, I broke free and had my first of several 200+ days clean. Since then i have grow until the point where I can KILL any lust within a moment of it entering my mind. true I have my lusting under control, my shmiras einayim perfected to an art. However all my years of lusting have left me with a gaping emotional void. A vacuum that sucks the pleasure and meaning of everything I now have from me. I remain a grim and placid person, unable to enjoy the blessings G-D bestows onto me.

All the years that I was enslaved to lust, created a permanent mark in my self, that effects everything I do. But rather than accept myself as 'damaged goods' I decided to use the 12 steps to help me fill that void. Anyone who has born witness to Dov's passionate defense to his religions adherence to the program, will understand why i am now beginning to ascribe myself to this system. I am not doing it because I cannot control my lust, I C-A-N. Not because i cannot control my eyes, I have them almost fully in control. Rather I am submitting to the 12 step system, because nothing else has proven itself a long term therapy (ameilus batorah works wonders in this, until i burn-out ????).

Please join me on my path to rediscovering myself, and learning how to live as a RECOVERED LUST ADDICT.

I decided to conform even more to the 'Program' and start reading 12 step material, hopefully this can empower me with the propper mindset the deal and address my old addiction.

Would you consider joining a group? I think the DC phone groups are starting up another cycle soon.

I read the books OVER and OVER again on my own, and didn't get so much out of it, except some interesting ideas. There's sort of like a Torah Sh'ba'al Peh to the program, which you get from groups and from sponsors, and without it you can really miss the point, the stuff that really makes a difference.

dusting off the thread here. It's nice to hear how much GYE grew, and how many people are being helped, however I am not one to avail myself to their benefits. I am back on here for now.....

BTW i broke through my filter a big handful of times, thanks to me they NOW block everything, (almost). I haven't read any 12step of GYE literature in months, and I have not been working on my problems... at all. YaY!!! my life is heading to the dumps, and I have nothing to thank but my messed-up addict mind. I seek pleasure, reasonable or not. At anyones expence, even my own. B"H I am honest enough not to steal anyone's money... like my kollel salary when it isn't deserved. ????? ?? ????? you want to help me, and i don't let you!!!!

What does an addict look like:

1. Give him E???? filtering and he will create loopholes, then tip-off the rabanim who gave haskamos, so the breaches will be sealed
2. Give him the most boring internet on earth, and he will still waste all his time in front of thye computer
3. Give him NO internet, and he will click into "virtual" cyberspace, checking what files the computer has, and that all the programs work
4. Make a power outage, and he will keep checking if the computer has power
5. Give him a shteibek, and he will do ANYTHING but make the minyan he needs to make
6. give him a kollel and he will destroy himself, untill he isn't fit to be there any more
7. give him a wonderfull family, and he will break her also

8. give him a future, and he will waste it on the present
9. give him a cure, and cry for him when it won't be used
10. Give him another chance.... for what **I still have this one**

?? ??? ????? ????? ????? ????

This isn't a chizuk post, it's reality. i flunked, and I gotta dig myself out of the gutters. **it's not my shmiras einayim that's the problem, it's everything that resulted from years of ---- addiction that's the problem.... it's WHO I AM!!!** letr's change that

We all got broke sometimes, with similiar feelings. You are at the right place. Just look back, what you tried already and it failed and take the next step. As long you don't give up, you will find the way home. Keep on trucking.

Hello Old Friend!

Read through your thread for the first time today. Powerful stuff. I admire your raw honesty.

You have a gaping hole in your life which was blasted out and charred around the edges by lust addiction. Nothing else but lust will quite do. So even though you have mighty shmiras eynayim and can flick away intrusive thoughts, the addiction's pull eventually prevails.

Let me ask you, how is your relationship with your wife? After years of quick-highs and objectifying women, this relationship will take extra work. But it may be the ticket you're looking for. You can truly let go of lust. You can slowly resensitize yourself to the sublime pleasures of a loving and intimate relationship. She's g-d's gift to you. Nothing less.

Hatzlocho,

Alex

Let's see how long this will hold-out, but I will now attempt to submit myself to the level of honesty required by SA.

Day -0-

- I succesfully broke through my filter, for the best ever, and engulfed an entire afternoon surfing through everything from soft-hardcore pics.
- I am leaving my acclaimed kollel and mainstreaming into the regular system, because i do not allow myself to holf to the high standards they set. As a bachur I could pretty much do most of them, but now as a married addict I have allowed my 'married life' to relaps me. And even if most of it was in other ?????? (like which minyan in the shteibs), it was all a remanifestation of my ADDICTION (compulsions). Today i daven the later zman, tommorow i skip a seder, and next week I finnaly manage to break through the worlds only filter with all too many haskamos

Step 1: Hiting rock bottom. (i can see my shaddow on the concrete floor, I wonder how many flights are left for em to plunge)

Step 2: GYE, honesty and accountability

Step 3: Don't stop the 12 step program. (It's not only DOV who still needs them)

Step 4: After ?????? comes tshuva

When does this happen? right before ??? ???????.

"?? ?????? ?????? ??? ?????????..."

The litvish blame it on the maharsha, and the chassidish beshaim sfarim hakedoshim and the rebbe reb bunim, but the vort is UNIVERSAL TORAH. Al ?????? ??? found him during this time. It's a time for ????? ?????? =equal= to ellul and the yamim noraim.

????? ?? ????? ?????? ?????? ?????? ?????? ?????? ?????? ??? ????? ???, ??? ??? ??? ????? ?? ??? ?????? ?????? ?????? ?????? ?? ?? ?? ???????.

Day 1

The passuk says ????? ??? ????? ??? ??? ???....not ??? ?????? as would have been synonymous with every other day of the ??????. Why? Because 1 is not a number, it's a ??????. If there isn't one, than there simply isn't anything. Therefor, day one requires me to focus on the points of recovery, and more importantly, admitting defeat. I may be known for my6 'shemirasEinayim', but I would indulge in hours of p--n+hz"l if I only had the opportunity. My only way out, is to submit my OWN kochos, and rely solely on ???.

ok now I have to START AGAIN

so let's take it from the top Day 1

Mpotzei shabbos was a big naissayon for me, with a new-found loophole in my filter, and the incompatibility with either k9 or webchaver, I was free game to see any pic that I could find on google buzz. I turned myself in, and told them about their glitch, however these things usually take time until they fix them. So for now i just have to work on my nissayon

What kind of --- am I. My wife is calmly sleeping in bed, knowing that something is going on inside me, and I spend too much time by the computer. ok really that's nothing new, sadly, however I have no known reason for it. I told her i needed GYE for chizuk, but 1:30 minutes of chizuk is PLENTY... funny I didn't seem any stronger the next day?

I need to see where i am heading! to crash!!!!!! oy the potential i wash down the drain. no I don't just nean the zera which has the potention to father thousands of yidden (entire worlds of torah va'avodas hashem!)..... no i mean MY potential that's simp-ly wasted.

I need to pick my self up out of the dust, and beg hashem not to let the YH throw me back down into it. I'm like the hopeless scrawny 'little guy' you see mursilessly beaten up by a big thug. Every time I stand up, he thrown me into the dust, leaving me with a mouthful of dirt. rachmanus! hashem help me stand on my 2 feet, and take the YH away from me. ???? ????
??!
