mgsbms,

are you wowing, rolling your eyes, and being sad at me or at the other guy?

The guy was creepy and it seems he was outed for this reason. I just poked around a bit to bring that to the surface.

No reason for you to be sorry....I guess I can always take note that I come off as obnoxious and uncaring....(which wasn't my intent here at all, I really did want to see what was the guy's purpose here and offer help if needed).

So I got things to work on....vat else is nu?

Yo Wishing

Don't mind my friend O'Mottel. Read his thread. He's having a rough week.

Whether or not you can get anything out of this website and forum is up to you. But I do agree that quick, flat, closed comments aren't going to get you anywhere on this forum. But there are still plenty of tools on the main website for you to plug into.

Whenever you're ready.

Alex
