yasher koach for reaching out!

thanks!

ever feel like that - you slip, you fall.. and wonder how you got into this mess in the first place?

back, by popular demand: The Mind, Body, and Spirit equation.

More than just another 12-step program (its more like a supplemental launch)

LEARN:

- what triggers you, and how to unplug those triggers.
- why we slip after completing a 12-step program
- recovery and the harmful fumes of a toxic relationship
- where is all that buzzing in your head coming from
- cycles of recovery, and what to do when you are spinning out of control
- why we do dumb stuff - like formally saying Good-bye to "friends" at our favorite p*rn station/magazine, etc.
- and why you have this sinking feeling that the p*rn is killing you.. and what to do about it BEFORE it does!

and a bunch of other psycho-techno-mind-baffling power-packed mumbo-jumbo to help clear your brain of the poison.. and fill you up with some more of the good stuff!

WHEN: Tues (12 est, 6 pm Israel - until the US changes their clocks)

Anything else:

Email me - so I can reserve spot for you, and get you the materials (dovinisrael@gmail.com)

Anything else, else?

Remember to *SMILE* it annoys the Y"H, and gives you the upper hand !!

ps. feel free to post to this thread.

Pss. btw - psycho-mumbo-jumbo aside. This is really not a joke, its serious. If you don't believe me, ask Mr C* - who was recently arrested, convicted and thrown in jail because his sexual misconducts got the best of him!

in this case:

Experience is NOT the best teacher!

OTHER PEOPLE'S experience is the BEST teacher !
