... on the Monstuh' School Bus step inside - it's a wild ride!

Come on and ride on the Monstuh' School Bus!

Maybe one day I'll be bored enough to do the whole song

Hi Eved for Hashem,	
There are tons of guys on the forum who have SSA and them as well as the general forum. If you want names o forum, send me a pm.	
I would definitely encourage you to take the 90 day jour that this addiction is definitely beatable (btw, don't get to means that we have a harder time than other people. w else.)	oo stuck on the word "addiction". it just
However, I encourage you to also start <i>real</i> recovery in 90 day journey will not heal you or remove your addiction you into good habits.	
In order to truly heal and recover, it is imperative that you and acknowledge the faults that led you to this predican	
It would be a great idea to try the 12 steps (either phone	e calls or live groups).
All the best,

Welcome passatocc! I suggest starting your own thread introducing yourself in the "intruduce yourself" section. Tell a little (or a lot) about yourself, your struggle and where you're holding. Avoid information that could compromise your anonymity.
See you there!
