I am currently 45 minutes late to go home to mincha and yom kipour katan

Baruch Hashem today is day #12 of the super clean count

i missed fartugs for the last 2 days and don't really feel great

I renewed my taphsic neder thingy for a other 2 days

but I added a new clause;

not to go to the sreetts of Williamsburg or Boro Park in Google street view

i realized that I was using this as my little Hasidic P\*\*\* outlet cruising the streets of Willy and BP checking out them beautiful blurred faces of them heimishe

yiddenes,

I think Tehillim Zugger had a thread in this vein calle "not Unztnious" or something like that.

I would appreciate if someone could post a link to it...

It's really strange to be a Frum Sicko Eh?

Hazak Viamatz and happy roche chodesche.
