you are officially unbanished and you can return to your seat. just try to behave

p.s. no, you cannot go feed your pet iguana in middle of class even if he was on a hunger strike for 2 weeks to protest the sequester

For nowadays, the whale-fishery furnishes an asylum for many romantic, melancholy, and absent-minded young men, disgusted with the corking care of earth, and seeking sentiment in tar and blubber.

It being the ark of sober minded individuals tossed upon the raging tempest, buffeted and cast about by mighty waves and currents. Pursuit of its goal singular in its mind, it sails onward. Even as Jonah, in the belly-tomb of leviathans, he calls out to G-d...

OKAY,

so I haven't updated for a while..

nu nu what can THAT mean?

maybe a bit of a recession maybe a fall?

Yeah, I think so.

I was busy the past week or so watching online tv shows, and feeling empty, and yesterday I snurfed up a biselle **** and felt down, BH I didn't M***** and I hope I'm back on track.

BTW Sunday was day 90 on the M***** count, but the overall count will have to be updated.

I thank Hashem for bringing me here and ask for more success and mor kedusha...

Anyhoo, my days on the forum may be limited,

I got my guts together and sat down with my boss (he's frum) and I told him that I find all that internet vey distracting (wink wink) and could there be a way to block all unnecessary sights?

He agreed and promised to look into it.

I'm not sure if GYE will make it onto the short list or not, but I will keep you posted.

Chazak Chazak

Tis the week to grab the bull by the horns and take affirmative action.
