Aha, good but not mandatory, eh?

What about the second story, the one about an angel named Pinyah ^[Gottesman, seriously? what were YOU drinking?] the part where Rabbi Lichtenstein/Lampton/Lightchmicallit looks into the mirror and sees how all his wonderful mitzvos and good deeds were really all his ugly ego? [A true Jekyll and Hyde moment there...]

I much prefer Pinya the Shadchan angel.

Helooo mr. TZ don't you know all angels are PINYA - get it? pin ais in Pintle and the other half as in the name of the Lord.

duh, that was a given...

I didn't want to mention that he's a shadchan angel so that my friends here that didn't read the book shouldn't be like, tz stop with shadchanim, you'll get engaged in due time.... v'doik

Opus!!

Are the GYE indexers putting this one together with dov's one-word megillahs?

Official update

today is day # 6 Yeah! it's like erev shabbos!

i had a great weekend, and hope to keep up the momentum. Just a thought, whaen yer happy and meaningfull, the nisyonot get smaller,

And i told my Rabbi about my recent crash. (he told me he doesn't allow me to crash any more)

One more thought, I was a t a kiddish dis shabbis, an' somebody knoked over a open bottle of Absolut, the stuff started pouring out BIG TIME, it was such a sad moment. but, the guy quickly reached over, set the bottle straightand salvagrđ what was left, instead of feeling down about his horrible crash, he cheerfully went on making lechaims as if nothing happened.

NOW, i'm wondering what we crackos can learn from this story?

One more thought,

@ my office we don't have Youtube, but the boss does and from time to time he "treats" us to "interesting" videos (he's a frum guy for cring out loud!) for example a clip of the Three stooges (UNAPPROPRIATE!_) on the day of the big crash last week he showed us a video of Barbara Streisand (WHAT THE HECK!?!) i think this may have been the straw that broke the camels back!

I just gotta say sorry, but i'm busy now! (sorta true)

Keep on truckin' don't focus on how far the ground is below, just focus on the NOW!
