Well, gentlemen, here goes. My name is Avraham, and I am indeed a Fortunate Man, with a wonderful wife, and incredible children. And I am in trouble. I found this website on the Yeshiva World News website. And after a seeming inability to control my taavos, here I am. I'm glad to be connecting with frum men with similar weaknesses, because as I look back over my life, the amount of days and hours that I have spent engrossed in erotic literature and websites is probably 10-20% of my waking hours.

Ever since I was ten years old and found my first dirty magazine, and started collecting them. Then in my twenties I wound up in Israel in yeshiva, threw them all away, and tried to go cold turkey. It lasted for a few years, but then we came back to America, and lo and behold there's

this new thing called the internet. And I'm right back where I started.

Anyway, I just wanted to introduce myself, because, I need the chizuk of chaverim, and a lot of siyatta d'shmaya. S"D in overcoming it, and resisting it, in doing teshuva, and in avoiding the abyss of depression. I've got alot to be thankful for, have many years of learning under my belt, have ben mesayem Shas twice, now on my third time, am a respected rabbi in my community, and have good friends and parents. But this is my dark secret, and I can't live with myself knowing that in some respects I am a fake.
