@ my office we don't have youtube, but the boss does and from time to time he "treats" us to "interesting" videos (he's a frum guy for cring out loud!) for example a clip of the Three stooges (UNAPPROPRIATE!_) on the day of the big crash last week he showed us a video of Barbara Streisand (WHAT THE HECK!?!) i think this may have been the straw that broke the camels back!

So I wonder who your boss is, hmmm

Official update

Today is day # 9 -read NEIN gotta be able to say NO to the EI or YH (he says to me, "hey your bored why don't you go on VIN? why don't you check out wierd things on ebay, why don't you find some"kosher" online game?" NO. NO NO NO. NONONONONONONONONO. NO! (that was a shofar blast of no's)

The principle of emunah is that everything is from Hashem, and dissatisfaction comes from Hashem challenging us to strive for more, not to veg out.

PEACE 8)

DON'T LOOK BACK by BOSTON

Don't look back, ooh a new day is breakin'
Sorry I can't resist...

It's been too long since I felt this way

I don't mind ooh where I get taken

The road is callin', today is the day

I can see, it took so long just to realize

I'm much too strong not to compromise

Now I see what I am is holding me down

I'll turn it around, oh yes I will

I finally see the dawn arrivin'

I see beyond the road I'm drivin'

It's a bright horizon and I'm awakin' now

Oh I see myself in a brand new way

The sun is shinin' ooh the clouds are breakin'

'Cause I can't lose now, there's no game to play

I can tell there's no more time left to criticize

I've seen what I could not recognize

Everything in my life was leading me on

But I can be strong, oh yes I can

I finally see the dawn arrivin'

I see beyond the road I'm drivin'

Far away and left behind, left behind

Oh the sun is shinin' And I'm on my road

Don't look back, ooh a new day is breakin'

It's been so long since I felt this way

I don't mind ooh where I get taken

The road is callin', today is the day

I can see, it took so long just to realize

I'm much too strong not to compromise

Now I see what I am is holding me down

I'll turn it around, oh yes I will

I finally see the dawn arriving

I see beyond the road I'm driving

Far away and left behind

Don't look back

Don't look back

Don't look back

Don't look back
