Shkoyach! It's me'eyn olam haba.

Once there was an old man who enjoyed to eat junk food. But his wife made him eat only healthy food, like muffins. So he gagged on his daily muffins, and they both lived a long healthy life. When they died, they were rewarded with a Gan Eden full of all kinds of junk food. His eyes lit up, and he tells his wife, "You and your fakakte muffins! I could have been here long ago!"

speaking to someone while they read the latest posts on GYE makes a for a semi-halucigenic experience in disjointed monologue
