They only have old editions- that Avnei Nezer you gave me was perfect, I'm sure you understand, I need the black Eglei Tal, the black Machon Yerushalayim Minchas Chinuch [duh, anything else is obsolete] and the red Shaagas Aryeh from that Machon with the moznayim in their logo [not Moznayim though].

This had better be a geshmake shiur... I am happy to have the zechus of shimush talmidei chachamim... but you had better quote all of the seforim I brought you... I expect mareh mekomos that only appear in the fancy shmancy deluxe editions that I brought you and do not appear in the old, inferior editions... otherwise those guys sitting in the back of the shul that I "borrowed" their minchas chinuch "for a few minutes" are gonna have a fit!

an argument can be made for the preference of hebrewbooks.org because you don't have to clean their sefarim for pesach
