Hi friends.

Frist all, sorry for the bad english.

Yesterday I fell in ZL and I didn't nothing to prevent

it.

In fact I hardly hurt and disappointment by the

fall.

Do you know? Every time I'm in that circumstance I fall.

What I can do?

What do you think you can do?

What can you commit to?

Not be in the house alone?

Don't close well the door of the bathroom when there is people at home?

Sorry if I am so cold but I'm tired.

My life is Tohu Vavohuo.

I'm tired to be father, Husband...

I just need a vacations, that never append...

My wife wish the same thing before a lot lime, whit out get it.

Some days I just want to return to be young man.

That's never append.

We don't know how to get out for this situation...
