

INTRODUCING... The GuardYourEyes Shabbos Weekly!

Posted by Lizhensk - 24 Jan 2014 16:39

If you would like to contribute, please do! PM me for my email. I will try to get as much as I can in every week. I intend for this to be a group work, with works submitted by everybody. If you have any ideas or anything that you think might add to this, please let me know.

(also if anybody can work on a nice design that would be greatly appreciated)

So it looks like we're off to a good start. If anybody can think of anything for this week's newsletter, please either PM or email it to me no later then Wednesday, so there will be time for

You can contribute to any column you like, even tho it seems that Zemiros Chizuk is reserved for Zemmy, and Tehillim Chizuk for TZ. Also, if you have any ideas for new columns that you think will add to this, please let me know!
