

INTRODUCING... The GuardYourEyes Shabbos Weekly!

Posted by Lizhensk - 24 Jan 2014 16:39

If you would like to contribute, please do! PM me for my email. I will try to get as much as I can in every week. I intend for this to be a group work, with works submitted by everybody. If you have any ideas or anything that you think might add to this, please let me know.

(also if anybody can work on a nice design that would be greatly appreciated)

Parshas Ki Sisa!

In case you're wondering why Guard posted it this week, it's because the server was down for a few hours so Lizensk couldn't post it. By the time it came back up, he was already sleeping (why I am up at 3am in Israel is a different question).

A special Thank you to Lizensk and to all who contributed!

This week, Lizensk included a much fancier text-only version for those who are afraid to go out in public with it. Yasher Koach!

There is a very simple reason Guard was up at 3 am. But I am not authorized to say. It has something to do with Russian Spies, escaped kangaroos and fake usernames, but: Nuff said!

Fake usernames?! Oy gevalt! Where's Dov?

BTW, "guard" is a strange real name.

Guard is his **last** name.

The is his name.

That's less strange, isn't it?

Uh oh! I may have given up his identity.

First of all, if it was his name it should be capitalized.

Second, whats the period for!?!?!?

Parshas Vayakel!

In case you're wondering why Guard posted it AGAIN this week, it's because Lizensk was traveling and only sent it to me by e-mail at 4:30 am in Israel (why I am up at 4:30am is a different question - Hint: Guard).

Lizensk wrote: I missed certain parts this week. Tanya isn't there because i only got it after i got on the plane (thank god there's no wifi on the plane). Also, Daf is tiny this week. It is however still 4 pages. Maybe you can announce that i was crazy busy with family matters or whatever. Or look through it and see if i'm being neurotic, maybe it really still is good.

Thank you to Lizensk and to all who contributed!

Good Shabbos,

Was Vashti's tail spotted like a giraffe's?

Was Haman's real name Harry?

Was Esther as green as an elephant?

Did Mordechai ride around Shushan on an Emu?

Were there a lot of people with English Accents by Achashveirosh's party?

If you have the answer to these questions or any other burning Purim related issue, we want to hear from you!!!

Introducing... The Purim Edition of the GuardYourEyes Weekly!

Otherwise known as

"?????? ???? - ??" ?" ???? ?????? ????? ???? ?"????????".

Please submit your works ASAP as possible as we still plan on releasing the regular weekly for Parshas Tzav and need more time to work on both.

Haman's name couldn't have been Harry because Haman wasn't Jewish. I think if esther was as green as the shrek or the hulk, Achashveirosh would not have taken her.
