

INTRODUCING... The GuardYourEyes Shabbos Weekly!

Posted by Lizhensk - 24 Jan 2014 16:39

If you would like to contribute, please do! PM me for my email. I will try to get as much as I can in every week. I intend for this to be a group work, with works submitted by everybody. If you have any ideas or anything that you think might add to this, please let me know.

(also if anybody can work on a nice design that would be greatly appreciated)

Hi everyone!!! Lizhensk here. First of all, Thank you all for your mazel tovs, iy"h by all of you b'karov.

To tell you the truth, after I took a break for a few weeks due to the birth, I wasn't going to continue, I was a bit burnt out and I wondered how many people actually chap a chizuk from the Tzetel. However, I soon learned that at least a few people do like it, (as do I) so I would really like to get it going again every week.

However, I have a request for the oilam. Can you please chip in? My original idea was for everyone on the forum to be involved in this, not the same 5 people. When that happens it gets a bit dry. So when you're bored in ~~middle of leining~~ Bain gavra l'gavra, instead of looking for a
It doesn't have to be written well. If you want, you can just send an idea in and we (MBJ and I) will try to build it up---however, it will not be guaranteed to get in.

Also, when you find a vort on shabbos for the next week, please try to send it in ASAP as possible. Try for Sunday or at the most Monday. I have a crazy schedule this zman, so I will need more time to edit it and put it together.

You can contribute to any of the following categories:

Tehillim (TehillimZugger is very busy these days)

Tanya (not only for chabadskers)

Chizuk from Shabbos Davening or Zemiros (Just because his name is Zemirosshabbos, doesn't mean he has to be the only one contributing to that column every week)

I'd like to add another column for the summer time on **Pirkei Avos**

A Quote (does not have to be from the forum)

And of course on the **Parsha**.

Thank you all again, and have a great day.

I just looked at Issue 1. I can't thank you enough.

The thing is, while I am learning (or at least reading) I can't be bothered by the ugly thoughts that lead to pornography and masturbation.

Again...Thank you for helping me.
