The Big Book of AA says in page 25 : The great fact is just this, and nothing less: That we have had deep and effective spiritual experiences which have revolutionized (changed) our whole attitude toward life, toward our fellows and toward G.od's universe. The central fact of our lives today is the absolute certainty that our Creator has entered into our hearts and lives in a way which is indeed miraculous. He has commenced to accomplish those things for us which we could never do by ourselves."

"We were in a position where life was becoming impossible, and if we had passed into the region from which there is no return through human aid, we had but two alternatives: One was to go on to the bitter end, blotting out the consciousness of our intolerable situation as best we could; and the other, to accept spiritual help. This we did because we honestly wanted to, and were willing to make the effort." We're given two choices: Keep drinking or accept spiritual help.

So, will meetings everyday suffice? Therapy? Calling a sponsor everyday? Daily exercise? Yoga? All this things are excellent help tools . But the main thing is our change . Inner spiritual change that connects us to Hashem and He will take care of our problem . There is a solution and this is it .

.???? ??' ?? ??? ?? ?????? ????? Today i have reached 180 days up the ladder . It wasnt easy at the beginning and it is not easy now but B'H something is working and i am full of gratitude first to Hashem Yisbarach that through His Mercy i am where i am today . Secondly to this wonderful site GYE , they are doing avodas hakodesh and a tremendous service to klal Yisrael.And of course to all the forums of the chevra and Divrei Chizuk. In my journey to 180 i had two crises , a smaller one and a gigantic one which i was walking at the very edge of a big fall but B"H came out of it safe and sound Bechasdei shamayim. In any way you choose to look at it whether its two times 90 or 10 times chai it all boils to the same : "one day at a time". I wish everybody hatzlacha in their journey each one in their own conditions and circumstances. My love to all !

talking about big waves

i went swimming once in the open sea, all of sudden the sea became spontaneously wild

with huge waves, i remembered the gemoro with the story of reb akive

where he said that at each wave he bent down his head until it passed

and thats what i did, it took me about 15 minutes to get beck to shore

i thought i will not make it ch"v

but b"h here i am, hashem spared my life, chasdei hashem

maybe that should work as a lesson for my life struggles, to wait until the heavy urge passes, then raise me head back up

Tonight is TU BISHVAT ! A time for renewal . according to the Chidushei Hari"m (Gur) There is a hichadshus in the learning of the Tora and just like Tu Beav is 40 days before 25 of Elul , so too Tu Bishvat is 40 days before 25 of Adar which is the creation of the world according to Rabi Yehoshua. BE"H This Holy Day of Tu Bishvat should bring a new beginning to the GYE Chevra and Klall Yisrael And it should be a new time of chizuk and reinforcement of our relationship with Hashem and in learning His Torah and it should be in the benefit of Am Yisrael and our own. Hatzlacha to all !!

As we know the Gemoroh of "Shoalin Ve'Dorshin Kodem Hachag Shloshim Yom" we start learning the laws of the festivals 30 days before its arrival, as Tu Bishvat is 30 days before Purim some had a custom of learning the Megillah or the Gemoroh Megillah, also the Simche starts already now, the Rebbes quoted Mi'Shenichnas Adar Marbin from when? from now (Tu Bi'Shvat) to be Be'Simche.

If we accept our challenges and work with them being Be'Simche, we can manage to get through more easily, Tzadikim say "Ki Be'Simche Teitzeiu" ?? ????? ???? with Simche a person can go out of all troubles.
