even if she doesnt exactly know my addictions , she has lost all respect

They know all about us.

They are like a GPS.

You might be right on that.

Today i have advanced a bit in my knowledge since i wrote what appearance quoted from me and added the gps and cordnoy agreed to .

Yes they have an excellent gps . Nevertheless they dont always know some or more of the details. My wife knows that i browse the Gye site and that i read and write in the forums and that i could join once in a while in telephone conference. And she sees that this things somehow are doing something good to me and to the environment at home. So not only she doesnt mind it she encourages me doing these things . But as the AA book writes and as the experience of some guys here at the site proved to be, as a general rule it is not advisable to tell your wife in detail because she my get hurt.As the big book says in page 74 " The rule is we must be hard on ourself, but considerate of others". Unless somebody with enough credentials advises otherwise.

Thanks appearance and cordnoy for the insightful comments .

New action, Do you know something.

My wife smells everything that I do.

She knows perfect, what I do, when I do, where and what time.

Something that bothers me too much is that she has registered to the "jizuk" Mails!

If I write in the forum she get my notifications !!

This cause me a serious marital problems. And trouble being honest in my posts.

BH, now, she don't receives nothing.

Once your wife knows, it is important not to *hide* stuff.

May hashem help all of us with this, including me.

Resentment is the "number one" offender. AA page 64. Somebody asked a loan from me to be paid Erev of Last Rosh Hashana. He did not pay. After a couple of months he paid half, explaining that soon to be ,really very soon . now now now he gathers the money and pays the other half. Now we are at the end of Shvat , next week is adar and still no money at the horizon.

He doesnt answer my calls , he doesnt call me either in short no word from him. He owes seventeen thousand Shekels. its quite a bit . I need to use this money that this man is not paying. Last week i started to feel the resentment taking over ; i even got sick with a type of fissure in my kishkes like an ulcer. Now i am thinking how am i going to get my money from this "Ganov", Chutzpadik, etc:angry: . I am dealing B"H with success with an overweight problem i have; in short I was getting Obsessed by this utter indifference from this person thinking i know he collects money from Chu"L i am going to call and let them know what type of criminal they are dealing with and so on and so forth. My defenses were going down , suddenly i find out that the street is full of ladies , "hey where did all this women come from " ?loads and loads of them all over the city ! suddenly i find myself indulging in food that i kept off limits. i lost my serenity and peace of mind. I was going down. I got sick with an ulcer.

Some good soul of a man told me to look in the AA book page 552 :

'If you have resentment you want to be free of, if you will pray for the person or thing that you resent, you will be free. If you will ask in prayer for everything you want for yourself to be given to them, you will be free. Ask for their health, their prosperity, their happiness, and you will be free. Even when you don't really want it for them and your prayers are only words and you don't mean it, go ahead and do it anyway. Do it everyday for two weeks, and you will find you have come to mean it and to want it for them, and you will realize that where you used to feel bitterness and resentment and hatred, you now feel compassionate, understanding and love.'

Rabosai that is what i did about this man . I am davening : Misheberach ... Hu Yevarech et Mr M.E. that owes me 17,000 shekels (dont know his mother's name) that he should have ... berachos , parnosa , nachas from all his children , etc, etc,.

No i will not say that he called me and paid , because he did not . But i did a tremendous favor to my soul my body and my connection to Hashem . My serenity is coming back to me . my ulcer is gone. And i am back to be happy again. I could have done harm to this man if i would have made some phone calls . Thanks to G.od a million times I did not . And by the way ...

the streets became again empty from women... well almost.

Newaction! I'm not trying to bash the book, the source is in the Torah especially for this issue, see the Rishonim (Sporno) this week on the Posuk: Ve'Shomati Ki Chanun Ani.

I agree with you . did not know the sforno but you dont have to go all that far . start from "Lo Tikom" which even a five year old knows. Nekama , Anger,??? , etc .

Very sadly we all knew these things . Somehow after we passed what we passed in life there is a way of looking at it from a different vintage point . Now when i read our Mekoros i appreciate them better nevertheless they were there all the time . I hope you understand what i mean. The fact is we , most of us knew a lot of Torah and still fell to very low things which are explicit all over. I dont know i am explaining myself .

I would call it ?? ?? ????? ?????? ?????? . Please try to understand me even if i dont explain myself well

Being at this moment in a 5+ star hotel in Chutz laartetz doing some work . I have another week more to stay. My friend insisted I go stay by him out of the hotel . For two reasons : The swimming pool and Pritzsdik ladies arriving every night to the hotel lobby. He was G.od sent specifically these two things were bothering my peace of mind. Tomorrow i am checking out "Kol Od Nafshi Bi". This Shabat is a very special one , we are taking out three Sifre Torah from the Heichal; looking forward .
