BH

I haven't been here for years, but I am trying once more to reconnect and try to remain sober somehow. I am seriously addicted to porn and cannot stop. every morning I spend some time looking at porn. Please G-D help me to remain sober through today. I plan on making 2 phone calls one before noon and one after mid day, and I am hoping to join in a phone conference.

I am really not even sure why I am posting this on the forum I guess I am desperate and trying something different.
